...

The deletion of Policies 2.36.1 and 2.36.2 was initiated by the BrowardNext Steering Committee on October 16, 2025, in response to enacted State of Florida legislation. The section titled "Environmental Justice" is retitled "Nondiscrimination" and Policies 2.36.1 and 2.36.2 are replaced with Policy 2.36.1 as follows.

...

NONDISCRIMINATION

Policy 2.36.1 Local governments should consider the impacts of local and regional land use, public infrastructure, and public services in a nondiscriminatory manner consistent with applicable federal, state, and local laws, seeking to avoid, to the extent feasible, disproportionate negative impacts being imposed on any segment of Broward County's population.
