BROWARD COUNTY FLORIDA

AGREEMENT BETWEEN BROWARD COUNTY AND SP PLUS CORPORATION FOR PARKING MANAGEMENT SERVICES (RFP # PNC2116816P1)

This Agreement ("Agreement") is made and entered by and between Broward County, a political subdivision of the State of Florida ("County"), and SP Plus Corporation, a Delaware corporation authorized to transact business in the State of Florida ("Contractor") (each a "Party" and collectively referred to as the "Parties").

RECITALS

A. County issued RFP # PNC2116816P1 ("RFP") soliciting proposals from qualified vendors to provide parking management services for various County agencies.

C. Contractor was the top ranked proposer for Group 1, County and Contractor entered into negotiations and this Agreement represents the final and complete understanding of the Parties regarding Contractor's performance of services.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE 3. SCOPE OF SERVICES

3.1. Scope of Services. Contractor shall perform all Services required under this Agreement including, without limitation, the work specified in Exhibit A (the "Scope of Services"). The Scope of Services is a description of Contractor's obligations and responsibilities and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks that are such an inseparable part of the work described that exclusion would render performance by Contractor impractical, illogical, or unconscionable. Contractor's performance of the Services shall at all times comply with the requirements set forth in Exhibit H.

3.2. Optional Services. Contractor acknowledges that the Contract Administrator has no authority to make changes that would increase, decrease, or otherwise modify the Scope of Services except as expressly set forth in this Agreement or, to the extent applicable, set forth in the Broward County Procurement Code. If any goods or services under this Agreement, or the quantity thereof, are identified as optional ("Optional Services"), County may select the type, amount, and timing of such goods or services pursuant to a work authorization ("Work Authorization") in substantially the form attached as Exhibit D executed by Contractor and County pursuant to this section. No such selection, when combined with those goods or services required under this Agreement, may result in a payment obligation exceeding the applicable maximum amount stated in Section 5.1. Notwithstanding anything to the contrary in this Agreement, Work Authorizations for Optional Services shall be executed on behalf of County as follows: (a) the Contract Administrator may execute Work Authorizations for which the total cost to County in the aggregate is less than $50,000.00; (b) the Purchasing Director may execute Work Authorizations for which the total cost to County in the aggregate is within the Purchasing Director's delegated authority; and (c) any Work Authorization above the Purchasing Director's delegated authority requires express approval by the Board. Subsequent to the full execution of

any Work Authorization, the Contract Administrator will issue a Notice to Proceed for those authorized Optional Services. Contractor shall not commence work on any Work Authorization until after receipt of a purchase order and Notice to Proceed.

ARTICLE 4. TERM AND TIME OF PERFORMANCE

4.1. Term. The term of this Agreement shall begin on the date it is fully executed by the Parties ("Effective Date") and shall end at 11:59 PM on the day prior to the third anniversary of the Effective Date ("Initial Term"), it being the intention of the parties that the Initial Term be for a period of three (3) years.

4.2. Extensions. County may renew this Agreement for up to two (2) additional one (1) year terms (each an "Extension Term") by sending notice of renewal to Contractor at least thirty (30) days prior to the expiration of the then-current term. The Purchasing Director is authorized to exercise this renewal option.

4.3. Additional Extension. If unusual or exceptional circumstances, as determined in the sole discretion of the Purchasing Director, render the exercise of an Extension Term not practicable, or if no extension is available and expiration of this Agreement would, as determined by the Purchasing Director, result in a gap in the provision of Services necessary for the ongoing operations of County, then the Purchasing Director may extend this Agreement on the same terms and conditions for period(s) not to exceed three (3) months in the aggregate, provided that any such extension is within the authority of the Purchasing Director or otherwise authorized by the Board. The Purchasing Director may exercise this option by written notice to Contractor stating the duration of the extended period, at least thirty (30) days prior to the end of the then-current term.

4.4. Extension Rates and Terms. For any extension beyond the Initial Term, Contractor shall be compensated at the rates in effect when the extension was invoked by County, unless otherwise expressly stated in Exhibit B. Contractor shall continue to provide the Services upon the same terms and conditions as set forth in this Agreement for such extended period.

4.5. Fiscal Year. The continuation of this Agreement beyond the end of any County fiscal year is subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes.

4.6. Time of the Essence. Unless otherwise agreed by the Parties in writing, all duties, obligations, and responsibilities of Contractor required by this Agreement shall be completed no later than the date or time specified for completion. Time is of the essence in performing the duties, obligations, and responsibilities required by this Agreement.

ARTICLE 5. COMPENSATION

5.1. Maximum Amounts. For all goods and Services provided under this Agreement, County will pay Contractor an annual fee (Annual Management Fee"), expenses expressly identified on

Exhibit B, and Optional Services up to the respective maximum annual amount of expense set forth on Exhibit B . The Annual Management Fee is payable in equal, monthly installments, in arrears.

Total Fees/Expenses	Not-To-Exceed Amount
Total 3 Year Management Fee Initial Term	$153,000
Total 3 Year Expenses Initial Term	$5,699,700
Total 3 Year Continency for Other Operating Costs and Expenses	$46,364
TOTAL NOT TO EXCEED	$5,899,064

Payment shall be made only for Services actually performed and completed pursuant to this Agreement, as set forth on Exhibit B, and, except as set forth below for police services, the amount set forth on Exhibit B for each item of expense shall be accepted by Contractor as full compensation for all such Services. Contractor acknowledges that, except for police security services, the amounts set forth in this Agreement are the maximum amounts payable and constitute a limitation upon County's obligation to compensate Contractor for work under this Agreement. These maximum amounts, however, do not constitute a limitation of any sort upon Contractor's obligation to perform all Services. Contractor shall bear and pay one-half (1/2) of the annual cost of police security services, up to a maximum amount of twenty-four thousand dollars ($24,000). Unless and except to the extent expressly required in this Agreement and set forth on Exhibit B, Contractor shall not be reimbursed for any expenses it incurs.

5.2. Method of Billing and Payment.

5.2.1. Contractor may submit invoices for compensation no more often than on a monthly basis, but only after the Services for which the invoices are submitted have been completed. An original invoice plus one copy are due within fifteen (15) days after the end of the month covered by the invoice, except that the final invoice must be received no later than sixty (60) days after expiration or earlier termination of this Agreement. Invoices shall designate the Services performed and, as applicable, the personnel, hours, tasks, or other details as requested by the Contract Administrator. If Contractor subcontracts any Services, Contractor shall submit a Certification of Payments to Subcontractors and Suppliers (Exhibit F) with each invoice. The certification shall be accompanied by a copy of the notification sent to each unpaid Subcontractor listed on the form, explaining the good cause why payment has not been made to that Subcontractor.

5.2.2. Any invoice submitted by Contractor shall be in the amount set forth in Exhibit B for the applicable Services, minus any agreed upon retainage as stated in Exhibit B. Retainage amounts shall only be invoiced to County upon completion of all Services, unless otherwise stated in Exhibit B.

5.2.3. County shall pay Contractor within thirty (30) days of receipt of Contractor's proper invoice, as required under the "Broward County Prompt Payment Ordinance," Section 1-51.6, Broward County Code of Ordinances. To be deemed proper, all invoices must comply with the requirements set forth in this Agreement and must be submitted on the then-current County form and pursuant to instructions prescribed by the Contract Administrator. Payment may be withheld for failure of Contractor to comply with a term, condition, or requirement of this Agreement. Payment shall be made to Contractor at the address designated in the Notices section.

5.2.4. Contractor shall pay Subcontractors and suppliers within fifteen (15) days following receipt of payment from County for such subcontracted work or supplies. Contractor agrees that if it withholds an amount as retainage from Subcontractors or suppliers, it will release such retainage and pay same within fifteen (15) days following receipt of payment of retained amounts from County. Failure to pay a Subcontractor or supplier in accordance with this subsection shall be a material breach of this Agreement, unless Contractor demonstrates to Contract Administrator's satisfaction that such failure to pay results from a bona fide dispute with the Subcontractor or supplier and, further, Contractor promptly pays the applicable amount(s) to the Subcontractor or supplier upon resolution of the dispute. Contractor shall include requirements substantially similar to those set forth in this subsection in its contracts with Subcontractors and suppliers.

5.3. Reimbursable Expenses. For reimbursement of any travel costs or travel-related expenses permitted under this Agreement, Contractor agrees to comply with Section 112.061, Florida Statutes, except to the extent that Exhibit B expressly provides to the contrary. County shall not be liable for any such expenses that exceed those allowed by Section 112.061 or that have not been approved in writing in advance by the Contract Administrator.

5.4. Subcontractors. Contractor shall invoice all Subcontractor fees, whether paid on a "lump sum" or other basis, to County with no markup. All Subcontractor fees shall be invoiced to County in the actual amount paid by Contractor.

5.5. Withholding by County. Notwithstanding any provision of this Agreement to the contrary, County may withhold, in whole or in part, payment to the extent necessary to protect itself from loss on account of inadequate or defective work that has not been remedied or resolved in a manner satisfactory to the Contract Administrator or failure to comply with any provision of this Agreement. The amount withheld shall not be subject to payment of interest by County.

ARTICLE 6. REPRESENTATIONS AND WARRANTIES

6.1. Representation of Authority. Contractor represents and warrants that this Agreement constitutes the legal, valid, binding, and enforceable obligation of Contractor, and that neither the execution nor performance of this Agreement constitutes a breach of any agreement that Contractor has with any third party or violates any law, rule, regulation, or duty arising in law or equity applicable to Contractor. Contractor further represents and warrants that execution of this Agreement is within Contractor's legal powers, and each individual executing this Agreement

on behalf of Contractor is duly authorized by all necessary and appropriate action to do so on behalf of Contractor and does so with full legal authority.

6.2. Solicitation Representations. Contractor represents and warrants that all statements and representations made in Contractor's proposal, bid, or other supporting documents submitted to County in connection with the solicitation, negotiation, or award of this Agreement, including during the procurement or evaluation process, were true and correct when made and are true and correct as of the date Contractor executes this Agreement, unless otherwise expressly disclosed in writing by Contractor.

6.3. Contingency Fee. Contractor represents that it has not paid or agreed to pay any person or entity, other than a bona fide employee working solely for Contractor, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

6.4. Truth-In-Negotiation Representation. Contractor's compensation under this Agreement is based upon its representations to County, and Contractor certifies that the wage rates, factual unit costs, and other information supplied to substantiate Contractor's compensation, including without limitation those made by Contractor during the negotiation of this Agreement, are accurate, complete, and current as of the date Contractor executes this Agreement. Contractor's compensation will be reduced to exclude any significant sums by which the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs.

6.5. Public Entity Crime Act. Contractor represents that it is familiar with the requirements and prohibitions under the Public Entity Crime Act, Section 287.133, Florida Statutes, and represents that its entry into this Agreement will not violate that Act. Contractor further represents that there has been no determination that it committed a "public entity crime" as defined by Section 287.133, Florida Statutes, and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether Contractor has been placed on the convicted vendor list.

6.6. Discriminatory Vendor and Scrutinized Companies Lists. Contractor represents that it has not been placed on the "discriminatory vendor list" as provided in Section 287.134, Florida Statutes, and that it is not a "scrutinized company" pursuant to Section 215.473, Florida Statutes. Contractor represents and certifies that it is not ineligible to contract with County on any of the grounds stated in Section 287.135, Florida Statutes.

6.7. Claims Against Contractor. Contractor represents and warrants that there is no action or proceeding, at law or in equity, before any court, mediator, arbitrator, governmental or other board or official, pending or, to the knowledge of Contractor, threatened against or affecting Contractor, the outcome of which may (a) affect the validity or enforceability of this Agreement, (b) materially and adversely affect the authority or ability of Contractor to perform its obligations under this Agreement, or (c) have a material and adverse effect on the consolidated financial condition or results of operations of Contractor or on the ability of Contractor to conduct its business as presently conducted or as proposed or contemplated to be conducted.

6.8. Warranty of Performance. Contractor represents and warrants that it possesses the knowledge, skill, experience, and financial capability required to perform and provide all Services and that each person and entity that will provide Services is duly qualified to perform such services by all appropriate governmental authorities, where required, and is sufficiently experienced and skilled in the area(s) for which such person or entity will render such Services. Contractor represents and warrants that the Services shall be performed in a skillful and respectful manner, and that the quality of all such services shall equal or exceed prevailing industry standards for the provision of such services.

6.9. Domestic Partnership Requirement. Unless this Agreement is exempt from the provisions of the Broward County Domestic Partnership Act, Section 16½-157, Broward County Code of Ordinances, Contractor certifies and represents that it will comply with the provisions of Section 16½-157 for the duration of this Agreement. The contract language referenced in Section 16½-157 is deemed incorporated in this Agreement as though fully set forth in this section.

6.10. Warranty Regarding PCI Compliance. Contractor warrants that, to the extent applicable, Contractor will comply with the most recent version of the Payment Card Industry Data Security Standard ("PCI DSS"). The Parties agree to adhere to the PCI Responsibility Matrix set forth in Exhibit G.

6.11. Breach of Representations. In entering into this Agreement, Contractor acknowledges that County is materially relying on the representations, warranties, and certifications of Contractor stated in this article. County shall be entitled to recover any damages it incurs to the extent any such representation or warranty is untrue. In addition, if any such representation, warranty, or certification is false, County shall have the right, at its sole discretion, to terminate this Agreement without any further liability to Contractor, to deduct from any amounts due Contractor under this Agreement the full amount of any value paid in violation of a representation or warranty, and to recover all sums paid to Contractor under this Agreement. Furthermore, a false representation may result in debarment from County's procurement activities.

ARTICLE 7. INDEMNIFICATION

Contractor shall indemnify, hold harmless, and defend County and all of County's current, past, and future officers, agents, servants, and employees (collectively, "Indemnified Party") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses, including through the conclusion of any appellate proceedings, raised or asserted by any person or entity not a party to this Agreement, and caused or alleged to be caused, in whole or in part, by any intentional, reckless, or negligent act or omission of Contractor, its officers, employees, agents, or servants, arising from, relating to, or in connection with this Agreement (collectively, a "Claim"). If any Claim is brought against an Indemnified Party, Contractor shall, upon written notice from County, defend each Indemnified Party against each such Claim by counsel satisfactory to County or, at County's option, pay for an attorney selected by the County Attorney to defend the Indemnified Party. The obligations of this section shall survive the expiration or earlier termination of this

Agreement. If considered necessary by the Contract Administrator and the County Attorney, any sums due Contractor under this Agreement may be retained by County until all Claims subject to this indemnification obligation have been settled or otherwise resolved. Any amount withheld shall not be subject to payment of interest by County.

ARTICLE 8. INSURANCE

8.1. For the duration of the Agreement, Contractor shall, at its sole expense, maintain the minimum insurance coverages stated in Exhibit C in accordance with the terms and conditions of this article. Contractor shall maintain insurance coverage against claims relating to any act or omission by Contractor, its agents, representatives, employees, or Subcontractors in connection with this Agreement. County reserves the right at any time to review and adjust the limits and types of coverage required under this article.

8.2. Contractor shall ensure that "Broward County" is listed and endorsed as an additional insured as stated in Exhibit C on all policies required under this article.

8.3. On or before the Effective Date or at least fifteen (15) days prior to commencement of Services, Contractor shall provide County with a copy of all Certificates of Insurance or other documentation sufficient to demonstrate the insurance coverage required in this article. If and to the extent requested by County, Contractor shall provide complete, certified copies of all required insurance policies and all required endorsements within thirty (30) days after County's request.

8.4. Contractor shall ensure that all insurance coverages required by this article shall remain in full force and effect for the duration of this Agreement and until all performance required by Contractor has been completed, as determined by Contract Administrator. Contractor or its insurer shall provide notice to County of any cancellation or modification of any required policy at least thirty (30) days prior to the effective date of cancellation or modification, and at least ten (10) days prior to the effective date of any cancellation due to nonpayment, and shall concurrently provide County with a copy of its updated Certificates of Insurance evidencing continuation of the required coverage(s). Contractor shall ensure that there is no lapse of coverage at any time during the time period for which coverage is required by this article.

8.5. Contractor shall ensure that all required insurance policies are issued by insurers: (1) assigned an A. M. Best rating of at least "A-" with a Financial Size Category of at least Class VII; (2) authorized to transact insurance in the State of Florida; or (3) a qualified eligible surplus lines insurer pursuant to Section 626.917 or 626.918, Florida Statutes, with approval by County's Risk Management Division.

8.6. If Contractor maintains broader coverage or higher limits than the minimum insurance requirements stated in Exhibit C, County shall be entitled to any such broader coverage and higher limits maintained by Contractor. All required insurance coverages under this article shall provide primary coverage and shall not require contribution from any County insurance, self-

insurance or otherwise, which shall be in excess of and shall not contribute to the insurance required and provided by Contractor.

8.7. Contractor shall declare in writing any self-insured retentions or deductibles over the limit(s) prescribed in Exhibit C and submit to County for approval at least fifteen (15) days prior to the Effective Date or commencement of Services. Contractor shall be solely responsible for and shall pay any deductible or self-insured retention applicable to any claim against County. County may, at any time, require Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. Contractor agrees that any deductible or self-insured retention may be satisfied by either the named insured or County, if so elected by County, and Contractor agrees to obtain same in endorsements to the required policies.

8.8. Unless prohibited by the applicable policy, Contractor waives any right to subrogation that any of Contractor's insurer may acquire against County and agrees to obtain same in an endorsement of Contractor's insurance policies.

8.9. Contractor shall require that each Subcontractor maintains insurance coverage that adequately covers the Services provided by that Subcontractor on substantially the same insurance terms and conditions required of Contractor under this article. Contractor shall ensure that all such Subcontractors comply with these requirements and that "Broward County" is named as an additional insured under the Subcontractors' applicable insurance policies.

8.10. If Contractor or any Subcontractor fails to maintain the insurance required by this Agreement, County may pay any costs of premiums necessary to maintain the required coverage and deduct such costs from any payment otherwise due to Contractor. Contractor shall not permit any Subcontractor to provide Services unless and until the requirements of this article are satisfied. If requested by County, Contractor shall provide, within one (1) business day, evidence of each Subcontractor's compliance with this section.

8.11. If any of the policies required under this article provide claims-made coverage: (1) any retroactive date must be prior to the Effective Date; (2) the required coverage must be maintained after termination or expiration of the Agreement for at least the duration stated in Exhibit C, and (3) if coverage is canceled or nonrenewed and is not replaced with another claims-made policy form with a retroactive date prior to the Effective Date, Contractor must obtain and maintain "extended reporting" coverage that applies after termination or expiration of the Agreement for at least the duration stated in Exhibit C.

ARTICLE 9. TERMINATION

9.1. This Agreement may be terminated for cause by the aggrieved Party if the Party in breach has not corrected the breach within ten (10) days after receipt of written notice from the aggrieved Party identifying the breach. This Agreement may also be terminated for convenience by the Board. Termination for convenience by the Board shall be effective on the termination date stated in written notice provided by County, which termination date shall be not less than

thirty (30) days after the date of such written notice. This Agreement may also be terminated by the County Administrator upon such notice as the County Administrator deems appropriate under the circumstances if the County Administrator determines that termination is necessary to protect the public health, safety, or welfare. If County erroneously, improperly, or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience and shall be effective thirty (30) days after such notice of termination for cause was provided and Contractor shall be eligible for the compensation provided in Section 9.4 as its sole remedy.

9.2. This Agreement may be terminated for cause by County for reasons including, but not limited to, any of the following:

9.2.1. Contractor's failure to suitably or continuously perform the Services in a manner calculated to meet or accomplish the objectives in this Agreement or Work Authorization, or repeated submission (whether negligent or intentional) for payment of false or incorrect bills or invoices;

9.2.2. By the Contract Administrator or the Director of Office of Economic and Small Business Development ("OESBD") for any fraud, misrepresentation, or material misstatement by Contractor in the award or performance of this Agreement or that otherwise violates any applicable requirement of Section 1-81, Broward County Code of Ordinances; or

9.2.3. By the Director of OESBD upon the disqualification of Contractor as a CBE or SBE if Contractor's status as a CBE or SBE was a factor in the award of this Agreement and such status was misrepresented by Contractor, or upon the disqualification of one or more of Contractor's CBE or SBE participants by County's Director of OESBD if any such participant's status as a CBE or SBE firm was a factor in the award of this Agreement and such status was misrepresented by Contractor during the procurement or the performance of this Agreement.

9.3. Notice of termination shall be provided in accordance with the "Notices" section of this Agreement except that notice of termination by the County Administrator to protect the public health, safety, or welfare may be oral notice that shall be promptly confirmed in writing.

9.4. If this Agreement is terminated for convenience by County, Contractor shall be paid for any Services properly performed through the termination date specified in the written notice of termination, subject to any right of County to retain any sums otherwise due and payable. Contractor acknowledges that it has received good, valuable, and sufficient consideration for County's right to terminate this Agreement for convenience in the form of County's obligation to provide advance notice to Contractor of such termination in accordance with Section 9.1. Contractor further acknowledges that County would not enter into this Agreement if it did not contain a right for County to terminate for convenience if the County determines, in its sole discretion, that termination for convenience is appropriate.

9.5. In addition to any right of termination stated in this Agreement, County shall be entitled to seek any and all available remedies, whether stated in this Agreement or otherwise available at law or in equity.

ARTICLE 10. EQUAL EMPLOYMENT OPPORTUNITY AND CBE COMPLIANCE

10.1. No Party may discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this Agreement. Contractor shall include the foregoing or similar language in its contracts with any Subcontractors, except that any project assisted by the U.S. Department of Transportation funds shall comply with the nondiscrimination requirements in 49 C.F.R. Parts 23 and 26.

10.2. Contractor shall comply with all applicable requirements of Section 1-81, Broward County Code of Ordinances, in the award and administration of this Agreement. Failure by Contractor to carry out any of the requirements of this article shall constitute a material breach of this Agreement, which shall permit County to terminate this Agreement or exercise any other remedy provided under this Agreement, the Broward County Code of Ordinances, the Broward County Administrative Code, or under other applicable law, all such remedies being cumulative.

10.3. Contractor will meet the required CBE goal by utilizing the CBE firms listed in Exhibit E (or a CBE firm substituted for a listed firm, if permitted) for twenty-five percent (25%) of total Services (the "Commitment").

10.4. In performing the Services, Contractor shall utilize the CBE firms listed in Exhibit E for the scope of work and the percentage of work amounts identified on each Letter of Intent. Promptly upon execution of this Agreement by County, Contractor shall enter into formal contracts with the firms listed in Exhibit E and, upon request, shall provide copies of the contracts to the Contract Administrator and OESBD.

10.5. Each CBE firm utilized by Contractor to meet the CBE goal must be certified by OESBD. Contractor shall inform County immediately when a CBE firm is not able to perform or if Contractor believes the CBE firm should be replaced for any other reason, so that OESBD may review and verify the good faith efforts of Contractor to substitute the CBE firm with another CBE firm, as applicable. Whenever a CBE firm is terminated for any reason, Contractor shall provide written notice to OESBD and, upon written approval of the Director of OESBD, shall substitute another CBE firm in order to meet the CBE goal, unless otherwise provided in this Agreement or agreed in writing by the Parties. Such substitution shall not be required if the termination results from modification of the Scope of Services and no CBE firm is available to perform the modified Scope of Services; in which event, Contractor shall notify County, and OESBD may adjust the CBE goal by written notice to Contractor. Contractor shall not terminate a CBE firm for convenience without County's prior written consent, which consent shall not be unreasonably withheld.

10.6. The Parties stipulate that if Contractor fails to meet the Commitment, the damages to County arising from such failure are not readily ascertainable at the time of contracting. If Contractor fails to meet the Commitment and County determines, in the sole discretion of the OESBD Program Director, that Contractor failed to make Good Faith Efforts (as defined in Section 1-81, Broward County Code of Ordinances) to meet the Commitment, Contractor shall pay County liquidated damages in an amount equal to fifty percent (50%) of the actual dollar

amount by which Contractor failed to achieve the Commitment, up to a maximum amount of ten percent (10%) of the total contract amount excluding costs and reimbursable expenses. An example of this calculation is stated in Section 1-81.7, Broward County Code of Ordinances. As elected by County, such liquidated damages amount shall be either credited against any amounts due from County or must be paid to County within thirty (30) days after written demand. These liquidated damages shall be County's sole contractual remedy for Contractor's breach of the Commitment, but shall not affect the availability of administrative remedies under Section 1-81. Any failure to meet the Commitment attributable solely to force majeure, changes to the scope of work by County, or inability to substitute a CBE Subcontractor where the OESBD Program Director has determined that such inability is due to no fault of Contractor, shall not be deemed a failure by Contractor to meet the Commitment.

10.7. Contractor acknowledges that the Board, acting through OESBD, may make minor administrative modifications to Section 1-81, Broward County Code of Ordinances, which shall become applicable to this Agreement if the administrative modifications are not unreasonable. Written notice of any such modification shall be provided to Contractor and shall include a deadline for Contractor to notify County in writing if Contractor concludes that the modification exceeds the authority under this section. Failure of Contractor to timely notify County of its conclusion that the modification exceeds such authority shall be deemed acceptance of the modification by Contractor.

10.8. County may modify the required participation of CBE firms in connection with any amendment, extension, modification, change order, or Work Authorization to this Agreement that, by itself or aggregated with previous amendments, extensions, modifications, change orders, or Work Authorizations, increases the initial Agreement price by ten percent (10%) or more. Contractor shall make a good faith effort to include CBE firms in work resulting from any such amendment, extension, modification, change order, or Work Authorization, and shall report such efforts, along with evidence thereof, to OESBD.

10.9. Contractor shall provide written monthly reports to the Contract Administrator attesting to Contractor's compliance with the CBE goal stated in this article. In addition, Contractor shall allow County to engage in onsite reviews to monitor Contractor's progress in achieving and maintaining Contractor's contractual and CBE obligations. The Contract Administrator in conjunction with OESBD shall perform such review and monitoring, unless otherwise determined by the County Administrator.

10.10. The Contract Administrator may increase allowable retainage or withhold progress payments if Contractor fails to demonstrate timely payments of sums due to all Subcontractors and suppliers. The presence of a "pay when paid" provision in a Contractor's contract with a CBE firm shall not preclude County or its representatives from inquiring into allegations of nonpayment.

ARTICLE 11. MISCELLANEOUS

11.1. Contract Administrator Authority. The Contract Administrator is authorized to coordinate and communicate with Contractor to manage and supervise the performance of this Agreement. Unless expressly stated otherwise in this Agreement or otherwise set forth in an applicable provision of the Broward County Procurement Code, Broward County Code of Ordinances, or Broward County Administrative Code, the Contract Administrator may exercise any ministerial authority in connection with the day-to-day management of this Agreement. The Contract Administrator may approve in writing minor modifications to the Scope of Services provided that such modifications do not increase the total cost to County or waive any rights of County.

11.2. Rights in Documents and Work. Any and all reports, photographs, surveys, documents, materials, or other work created by Contractor in connection with performing Services shall be owned by County, and Contractor hereby transfers to County all right, title, and interest, including any copyright or other intellectual property rights, in or to the work. Upon termination of this Agreement, any reports, photographs, surveys, and other data and documents prepared by Contractor, whether finished or unfinished, shall become the property of County and shall be delivered by Contractor to the Contract Administrator within seven (7) days after termination of this Agreement. Any compensation due to Contractor may be withheld until all documents are received as provided in this Agreement. Contractor shall ensure that the requirements of this section are included in all agreements with its Subcontractor(s).

11.3. Public Records. To the extent Contractor is acting on behalf of County as stated in Section 119.0701, Florida Statutes, Contractor shall:

11.3.1. Keep and maintain public records required by County to perform the Services;

11.3.2. Upon request from County, provide County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time and at a cost that does not exceed that provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

11.7. Sovereign Immunity. Except to the extent sovereign immunity may be deemed to be waived by entering into this Agreement, nothing herein is intended to serve as a waiver of sovereign immunity by County nor shall anything included herein be construed as consent by County to be sued by third parties in any matter arising out of this Agreement. To be effective, any waiver must be in writing signed by an authorized signatory of the Party granting the waiver.

3.3	Mask PAN when displayed (the first six and last four digits are the maximum number of digits to be displayed), such that only personnel with a legitimate business need can see more than the first six/last four digits of the PAN. Note: This requirement does not supersede stricter requirements in place for displays of cardholder data—for example, legal or payment card brand requirements for point- of-sale (POS) receipts.	X				SP Plus will perform test on equipment receipts but cannot change this setting on the equipment. If SP Plus notices a violation, we will immediately contact the equipment vendor.

3.4	Render PAN unreadable anywhere it is stored (including on portable digital media, backup media, and in logs) by using any of the following approaches: • One-way hashes based on strong cryptography, (hash must be of the entire PAN) • Truncation (hashing cannot be used to replace the truncated segment of PAN) • Index tokens and pads (pads must be securely stored) • Strong cryptography with associated key- management processes and procedures. Note: It is a relatively trivial effort for a malicious individual to reconstruct original PAN data if they have access to both the truncated and hashed version of a PAN. Where hashed and truncated versions of the same PAN are present in an entity's environment, additional controls should be in place to ensure that the hashed and truncated versions cannot be correlated to reconstruct the original PAN. 6.1	Establish a process to identify security vulnerabilities, using reputable outside sources for security vulnerability information, and assign a risk ranking (for example, as "high," "medium," or "low") to newly discovered security vulnerabilities. *Note: Risk rankings should be based on industry best practices as well as consideration of potential impact. For example, criteria for ranking vulnerabilities may include consideration of the CVSS base score, and/or the classification by the vendor, and/or type of systems affected. Methods for evaluating vulnerabilities and assigning risk ratings will vary based on an organization's environment and risk-assessment strategy. Risk rankings should, at a minimum, identify all vulnerabilities considered to be a "high risk" to the environment. In addition to the risk ranking, vulnerabilities may be considered "critical" if they pose an imminent threat to the environment, impact critical systems, and/or would result in a potential compromise if not addressed. Exhibit H – Security Requirements

For the purposes of this Exhibit H, the following definitions shall apply:

"County Confidential Information" means any County Data that includes employee information, financial information, or personally identifiable information for individuals or entities interacting with County (including, without limitation, social security numbers, birth dates, banking and financial information, and other information deemed exempt or confidential under state or federal law or applicable regulatory body).

"County Data" means the data and information (including text, pictures, sound, graphics, video and other data) relating to County or its employees or agents, or made available or provided by County or its agents to Contractor, for or in the performance of this Agreement, including all derivative data and results derived therefrom, whether or not derived through the use of the Contractor's services, whether or not electronically retained, and regardless of the retention media.

All other capitalized terms not expressly defined within this exhibit shall retain the meaning ascribed to such terms in the Agreement (and if not so defined, then the plain language meaning appropriate to the context in which it is used).

Security and Access. If Contractor will have access to any aspect of County's network via an Active Directory account, onsite access, remote access, or otherwise, Contractor must:

(a) comply at all times with all applicable County access and security standards, policies, and procedures related to County's network, as well as any other or additional restrictions or standards for which County provides written notice to Contractor;
(b) provide any and all information that County may reasonably request in order to determine appropriate security and network access restrictions and verify Contractor's compliance with County security standards;
(c) provide privacy and information security training to its employees with access to County's network upon hire and at least once annually; and
(d) notify County of any terminations or separations of Contractor's employees who had access to County's network.

In addition, if and to the extent Contractor will have any remote access to County's network, Contractor must:

(e) utilize secure, strictly-controlled industry standards for encryption (e.g., Virtual Private Networks) and passphrases and safeguard County Data that resides in or transits through Contractor's internal network from unauthorized access and disclosure;
(f) ensure the remote host device used for access is not connected to any other network, including an unencrypted third party public WiFi network, while connected to County's network, with the exception of networks that are under Contractor's complete control or under the complete control of a person or entity authorized in advance by County in writing;
(g) enforce automatic disconnect of sessions for remote access technologies after a specific period of inactivity with regard to connectivity into County infrastructure;
(h) utilize equipment that contains antivirus protection software, an updated operating system, firmware, and third party-application patches, and that is configured for least privileged access;

(i) utilize, at a minimum, industry standard security measures, as determined in County's sole discretion, to safeguard County Data that resides in or transits through Contractor's internal network from unauthorized access and disclosure; and

(j) activate remote access from Contractor and its approved subcontractors into the County network only to the extent necessary to perform services under this Agreement, deactivating such access immediately after use.

If at any point in time County, in the sole discretion of its Chief Information Officer (CIO), determines that Contractor's access to any aspect of County's network presents an unacceptable security risk, or if Contractor exceeds the scope of access required to perform the required services under the Agreement, County may immediately suspend or terminate Contractor's access and, if the risk is not promptly resolved to the reasonable satisfaction of the County's CIO, may terminate this Agreement or any applicable Work Authorization upon ten (10) business days' notice (including, without limitation, without restoring any access to County network to Contractor).

Data and Privacy. To the extent applicable to the services being provided by Contractor under the Agreement, Contractor shall comply with all applicable data and privacy laws and regulations, including without limitation Florida Statutes Section 501.171, and shall ensure that County Confidential Data processed, transmitted, or stored by Contractor or in Contractor's system is not accessed, transmitted or stored outside the United States. Contractor shall not sell, market, publicize, distribute, or otherwise make available to any third party any personal identification information (as defined by Florida Statutes Section 501.171, Section 817.568, or Section 817.5685, as amended) that Contractor may receive or otherwise have access to in connection with this Agreement, unless expressly authorized in advance by County. If applicable and requested by County, Contractor shall ensure that all hard drives or other storage devices and media that contained County Data have been wiped in accordance with the then-current best industry practices, including without limitation DOD 5220.22-M, and that an appropriate data wipe certification is provided to the satisfaction of the Contract Administrator.

Managed or Professional Services. Contractor shall immediately notify County of any terminations or separations of Contractor's employees who performed services under the Agreement and who had access to County Confidential Information or the County network. If any unauthorized party is successful in accessing any area, including any information technology component related to Contractor, where County Data or files exist or are housed, Contractor shall notify County within twenty-four (24) hours after becoming aware of such breach, unless an extension is granted by County's CIO. Contractor shall provide County with a detailed incident report within five (5) days after becoming aware of the breach, including remedial measures instituted and any law enforcement involvement. Contractor shall fully cooperate with County on incident response, forensics, and investigations into Contractor's infrastructure as it relates to any County Data or County applications. Contractor shall not release County Data or copies of County Data without the advance written consent of County. Contractor shall ensure adequate background checks have been performed on any personnel having access to County Confidential Information. To the extent permitted by such checks, Contractor shall not knowingly allow convicted felons or other persons deemed by Contractor to be a security risk to access County Data. Contractor shall ensure the use of any open source or third-party software or hardware does not undermine the security posture of the Contractor or County.

System and Organization Controls (SOC) Report. Contractor must provide County with a copy of a current unqualified System and Organization Controls (SOC) 2 Type II Report for Contractor and for any third party that provides the applicable services comprising the system, inclusive of all five Trust Service Principles (Security, Availability, Processing Integrity, Confidentiality, and Privacy), prior to commencement of the Agreement, unless this requirement is waived in writing by the County's CIO or designee.

Payment Card Industry (PCI) Compliance. If and to the extent at any point during the Agreement that Contractor accepts, handles, transmits, or stores any credit cardholder data or is reasonably determined by County to potentially impact the security of County's cardholder data environment ("CDE"), Contractor must:

(a) comply with the most recent version of VISA Cardholder Information Security Program ("CISP") Payment Application Best Practices and Audit Procedures including Security Standards Council's PCI DSS and the functions relating to storing, processing, and transmitting of the cardholder data to the extent applicable to Contractor and set forth in the PCI DSS responsibility matrix (see Exhibit G);

(b) Maintain PCI DSS validation throughout the Agreement;

(c)) Prior to commencement of the Agreement, and annually, provide to County: a Self-Assessment Questionnaire ("SAQ") for SP Plus and a written acknowledgment of responsibility for the security of cardholder data Contractor possesses or otherwise stores, processes, or transmits, and for any service Contractor provides that could impact the security of County's CDE (if Contractor subcontracts or in any way outsources the credit card processing, or provides an API that redirects or transmits cardholder to a payment gateway, Contractor is responsible for maintaining PCI compliance for the API and providing the AOC for the subcontractor or payment gateway to County);

(d) Maintain and provide to County a PCI DSS responsibility matrix (see Exhibit G) that outlines the exact PCI DSS controls that are not applicable to the Agreement, are the responsibility of either Party, or that are the shared responsibility of Contractor and County (or another entity);

(e) Immediately notify County, and to the extent applicable the vendor providing the equipment and software that accepts or processes payments, if Contractor learns or suspects that Contractor, the equipment or software that accepts or process payments or any component thereof is no longer PCI DSS compliant and to the extent applicable, provide County the steps being taken to remediate the non-compliant status no later than seven (7) calendar days after Contractor learns or suspects an issue related to PCI DSS compliance; and

(f) Activate remote access from Contractor and its approved subcontractors into County's network only to the extent necessary to perform services under this Agreement, deactivating such access immediately after use.
