MASTER PROGRAM ADMINISTRATION GUIDELINES

These MASTER PROGRAM ADMINISTRATION GUIDELINES (the “Guidelines”), dated as of January [___], 2026, issued by the Housing Finance Authority of Broward County, Florida (the “HFA”), a public body corporate and politic of the State of Florida, constitute the guidelines to be used by the HFA in administering its 2026 Mortgage Credit Certificate Program.

RECITALS:

The HFA was duly created pursuant to the Florida Housing Finance Authority Law, Part IV, Chapter 159, Florida Statutes, as amended, and Ordinance No. 79-41 enacted by the Board of County Commissioners of Broward County, Florida on June 20, 1979, as amended (collectively, the “Act”) for the purpose of alleviating a shortage of housing available at prices which many persons and families can afford.

The HFA is authorized by the Act to borrow money through the issuance of bonds for single family housing or, in lieu of issuing qualified mortgage bonds, to issue mortgage credit certificates to qualifying individuals.

The HFA has received private activity bond allocation for the issuance of single-family mortgage revenue bonds.

Pursuant to Section 25 of the Internal Revenue Code of 1986, as amended (the “Code”), the HFA may make an election to issue mortgage credit certificates in lieu of the issuance of single-family mortgage revenue bonds.

In furtherance of the purposes of the Act, the HFA has determined to implement a mortgage credit certificate program (the “Program”) to assist persons of low and moderate income with the costs of acquiring and owning decent, safe and sanitary housing, and in connection therewith, has made an election under Section 25 of the Code to exchange \$10,000,000 of its private activity bond allocation for the authority to issue mortgage credit certificates to persons of low and moderate income acquiring qualified owner-occupied residences.

The HFA has duly authorized and provided for the issuance of its Mortgage Credit Certificates, Series 2026 (the “MCCs”).

For the MCCs to be qualified for federal income tax purposes under applicable sections of the Code and the regulations promulgated thereunder, the HFA is required to establish reasonable investigative procedures in connection with the issuance of the MCCs to determine whether mortgagors receiving MCCs satisfy the various requirements of the Code.

The HFA will, subject to the terms hereof, administer the Program.

A Principal Residence includes a single-family house, condominium unit, mobile home, share of a housing cooperative, or occupancy of a unit in a multi-family building consisting of two (2), three (3) or four (4) units owned by the Applicant. A Principal Residence also includes any manufactured home which has a minimum of 400 square feet of living space and a minimum width of 102 inches and which is customarily used at a fixed location.

(3) To meet the prior homeownership restriction requirement, the Applicant must complete and sign the Applicant Affidavit and provide the last three (3) years of federal income tax returns (or acceptable alternate exhibits—see below). In lieu of actual copies of returns, Applicants who filed Form 1040 income tax returns or any other tax returns that may be permitted by the Internal Revenue Service (the "IRS") may substitute an original letter from the IRS stating the type of return filed by the Applicant for each tax year, the Applicant's filing status, and adjusted gross income. To summarize this procedure as it applies to different cases:

(a) If the Applicant can produce copies of signed Form 1040 or any other tax returns that may be permitted by the IRS for the last three (3) years which show no deductions of interest or taxes for a Principal Residence, these forms must be submitted to the Participant and forwarded to the Administrator along with the other Program documents.

(b) In the event the Applicant has filed Form 1040 or any other tax returns that may be permitted by the IRS for the preceding three years but cannot produce the signed copies of the returns, the Applicant may substitute the original tax account information letter from the IRS verifying the required facts (the "Tax Return Transcript"). The Tax Return Transcript can be requested from the IRS by the Applicant by using IRS Form 4506-T (Request

for Transcript of Tax Return).

(c) In the event the Applicant has filed Form 1040 or any other tax returns that may be permitted by the IRS for the preceding three (3) years and completes and signs the other required Applicant Affidavit, but cannot produce the signed copies of the returns, the Administrator will not issue the MCC until receipt of certified tax returns (including all schedules) from the IRS, which returns show the Applicant took no deduction of interest or taxes for a Principal Residence for the years in question. The certified tax returns can be requested from the IRS by the Applicant by using IRS Form 4506 (Request for Copy of Tax Return).

(d) In the unusual event the Applicant was not required by law to file federal income tax returns for any year during the preceding three (3) years, it will be necessary for the Applicant to so state on the Applicant Affidavit forwarded to the Administrator with the other Program documents.

(e) When the Loan is executed during the period between January 1 and February 15 and the Applicant has not yet filed his or her federal income tax return for the preceding year with the IRS, the Administrator may, with respect to such year, rely on an affidavit from the Applicant stating that the Applicant is not entitled to claim deductions for taxes or interest on indebtedness with respect to property constituting his or her Principal Residence for the preceding calendar year. Such affidavit must be forwarded to the Administrator with the other Program documents.

(4) Principal Residence Requirement. The home must meet the definition of Residence, and must be located in the Eligible Loan Area. The Applicant must use the Residence that involves the MCC as his/her Principal Residence. The Participant must obtain from the Applicant, via the Applicant Affidavit, a statement of the Applicant's intent to use the Residence as his/her Principal Residence within a reasonable time (not to exceed sixty (60) days) after the closing of the Loan. This Applicant Affidavit further states that the Applicant will notify the HFA and the Administrator if the Residence ceases to be his/her Principal Residence.

(5) Purchase Price Requirement. The Acquisition Cost of the Residence may not exceed the applicable Acquisition Cost Limit.

(6) Income Requirements. The Applicant's Income may not exceed the applicable Income Limit.

(7) Fees. Any points, origination fees, servicing fees, loan application fees, survey fees, credit report fees, insurance fees or similar financing costs, and any other fees paid to the Participant providing the Loan, or any other person, must be reasonable and not in excess of amounts customarily charged in the area or by the person receiving the

fee, with respect to mortgages not provided in connection with mortgage credit certificates and the mortgagor may not pay, directly or indirectly, any other fee. The requirements of this subsection shall be met if the Administrator relies on the relevant provisions of a properly executed Applicant Affidavit and a properly executed Certificate of Participant.

(8) New Loan Requirements. An MCC cannot be issued in conjunction with the acquisition or replacement of an existing loan or mortgage; however, an MCC can be used in conjunction with the replacement of construction period loans or bridge loans of a temporary nature. Construction period or bridge loans must be for no longer than twenty (24) months. The Participant must obtain from the Applicant, by means of the Applicant Affidavit, a statement to the effect that the Loan being made in connection with the MCC will not be used to acquire or replace an existing mortgage or land contract. A Contract for Deed is not treated as an existing mortgage for these purposes.

(9) Prohibited Mortgages. An MCC cannot be issued with respect to any Residence any of the financing of which is provided with the proceeds of a Qualified Mortgage Bond or a Qualified Veterans Bond, unless such financing has been paid off in full. The Participant must obtain from the Applicant, by means of the Applicant Affidavit, a statement that no portion of the financing of the Residence in connection with the MCC is provided from a Qualified Mortgage Bond or Qualified Veterans Bond.

(10) No Interest Paid to Related Persons. No interest on the certified indebtedness amount of the Loan can be paid to a person who is a related person to the Applicant, as the term "related persons" is defined in Section 25(e)(6) of the Code, and regulations issued pursuant thereto. The Participant must obtain from the Applicant, by means of the Applicant Affidavit, a statement that a related person does not have, and is not expected to have, an interest as a creditor in the Loan.

(11) Timing. The MCC may not be issued before January [___], 2026 and the Loan with respect to which an MCC is issued may not be incurred after December 31, 2028.

Any requirement for the issuance of an MCC set forth in this Exhibit "A", in the Guidelines or in the Program Manual may be waived or modified if the Administrator receives an opinion of counsel selected by the HFA to the effect that such waiver or modification will not adversely affect the status of the MCC as a "qualified mortgage credit certificate" entitled to the federal income tax credit specified in Section 25 of the Code. The requirement for receipt of the above-described opinion shall not apply, however, to waivers or modifications that do not relate to federal or state law requirements for the issuance of MCCs, such as, for example, modification of the MCC Program Fee or information to be included on the HFA's website.

(FORM OF CERTIFICATE)
TERMS AND CONDITIONS

FEDERAL TAX CREDIT. This Mortgage Credit Certificate ("MCC") entitles the holder (as named on the face of this MCC) to an annual federal tax credit equal to: a) if the MCC rate is equal to or less than twenty percent (20%), the rate listed within the MCC times the annual interest paid on the mortgage loan or b) if the rate is greater than twenty percent (20%), the lesser of: i) the MCC rate times the annual interest paid on the mortgage loan described on the face of this MCC or ii) \$2,000.00. In addition, this MCC will reduce the holder's mortgage interest deduction by an amount equal to the tax credit for the same tax year. The credit cannot be larger than the holder's annual federal income tax liability, after all other credits and deductions have been taken into account. MCC credits in excess of current year tax liability may, however, be carried forward for use in the subsequent three (3) years. At the time of issuance of this MCC, the filing of IRS Form 8396 is required in order to take advantage of the tax credit each year.

PRINCIPAL RESIDENCE. This MCC is to be used in connection with the financing of the purchase of a Residence. The Residence must be or become the holder's "Principal Residence" within a reasonable time (not to exceed sixty (60) days) following the date of issuance of the MCC. The "Principal Residence" means a Residence that, depending on all the facts and circumstances (including the good faith intent of the occupant), is occupied by the holder of this MCC primarily for residential purposes. "Principal Residence" does not include a home used as an investment property or a recreational home, or a home that is used primarily in a trade or business (as evidenced by the use of more than fifteen percent (15%) of the total floor space in a trade or business). Further, the holder may not claim, with respect to the Residence, any deductions pursuant to Section 280A of the Internal Revenue Code of 1986, as amended, for expense incurred in connection with the business use of a home.

PRIOR OWNERSHIP OF A RESIDENCE. The holder of this MCC cannot have had a present ownership interest in a Principal Residence at any time during the three (3)-year period prior to the date on which the loan is executed. For purposes of making such determination, a Principal Residence includes a single-family house, condominium unit, mobile home, share of a housing cooperative or occupancy of a unit in a multifamily building consisting of two (2), three (3) or four (4) units owned by the holder. The term "present ownership interest" includes a fee simple interest; a joint tenancy, a tenancy in common or a tenancy by the entirety; the interest of a tenant-shareholder in a cooperative; a life estate; a land contract under which possession and the burdens and benefits of ownership are transferred although legal title is not transferred until some later date; and an interest held in trust for one person by another person. A "present ownership interest" does not include a remainder interest, a lease with or without an option to purchase, mere expectancy to inherit an interest in a principal residence, the interest that a person acquires upon the execution of a real estate purchase contract, or any interest in other than a "Principal Residence" during the previous three years. This requirement is waived if the Residence is located in a Targeted Area or if the Residence is acquired by a Qualified Veteran.

PARTICIPATING LENDER AND LOAN ELIGIBILITY. Financing may be sought from any lender participating in the Program ("Participant"). The decision to make a loan is completely within the discretion of the Participant to whom the application for a mortgage loan is submitted. The HFA plays no role in the decision to make a loan or determining the amount of the loan.

MORTGAGE REQUIREMENTS. No MCC will be issued in connection with financing that is to be used to replace an existing mortgage on the Residence to which the holder is a party or upon which the holder is an obligor. No MCC will be issued unless, prior to the date thereof, the holder was not a party to a mortgage on the Residence (whether in the form of a deed of trust, contract for deed, conditional sales contract, pledge, agreement to hold title in escrow, or other form of owner financing), other than a construction loan, bridge loan, or other temporary initial financing having a term not exceeding twenty-four (24) months. In addition, no MCC will be issued if any financing for the Residence is to be obtained from a qualified mortgage bond or qualified veterans' mortgage bond or if any person who is related to the holder has an interest as a creditor in the financing.

OCCUPANCY OF THE RESIDENCE. If the Residence ceases to be occupied as the holder's "Principal Residence," the holder will no longer be eligible for the MCC and must immediately notify (in writing) the HFA and the Participant providing the financing of this fact and the date of this event.

INCOME LIMITS. At the time of execution of the loan in connection with which this MCC is issued, the holder's current income cannot exceed, (i) for families of three or more persons, 115% (140% in certain Targeted Areas) of the area median income and (ii) for individuals and families of two persons, 100% (120% in certain Targeted Areas) of the area median income. The Income Limits may be subject to adjustment at any time.

ACQUISITION COST LIMITS. The acquisition cost for the Residence being acquired in connection with which this MCC is issued cannot exceed 90% (110%, in the case of certain Targeted Area Residences) of the average area purchase price applicable to the Residence.

TRANSFERABILITY. This MCC is not assumable and is transferable only upon application to the HFA. As a condition precedent to the HFA consideration of the MCC holder's transfer of the MCC, the proposed transferee must meet all Program requirements then in effect.

COMPLIANCE WITH INTERNAL REVENUE CODE. This MCC is intended to comply with the provisions of Section 25 of the Internal Revenue Code of 1986, as amended, as well as any and all other applicable federal or State laws.

REISSUANCE. The refinanced loan amount cannot exceed the outstanding balance of the original mortgage loan as of the date of the refinancing (i.e., You may not refinance points, insurance premiums, taxes or other costs as part of your new loan amount), unless otherwise permitted by federal law or regulation.

PROGRAM MANUAL
HOUSING FINANCE AUTHORITY OF BROWARD COUNTY, FLORIDA
2026 MORTGAGE CREDIT CERTIFICATE PROGRAM

INTRODUCTION

The Housing Finance Authority of Broward County, Florida (the "HFA") was duly created pursuant to the Florida Housing Finance Authority Law, Part IV, Chapter 159, Florida Statutes, as amended, and Ordinance No. 79-41 enacted by the Board of County Commissioners of Broward County on June 20, 1979, as amended (collectively, the "Act") for the purpose of alleviating a shortage of housing available at prices which many persons and families can afford.

The HFA is authorized by the Act to borrow money through the issuance of bonds for single family housing or, in lieu of issuing qualified mortgage bonds, to issue mortgage credit certificates to qualifying individuals.

The HFA has received private activity bond allocation for the issuance of single-family mortgage revenue bonds. Pursuant to Section 25 of the Internal Revenue Code of 1986, as amended (the "Code"), the HFA may make an election to issue mortgage credit certificates in lieu of the issuance of single-family mortgage revenue bonds.

In furtherance of the purposes of the Act, the HFA has determined to implement a mortgage credit certificate program (the "Program") to assist persons of low and moderate income with the costs of acquiring and owning decent, safe and sanitary housing, and in connection therewith, has made an election under Section 25 of the Code to exchange \$50,000,000 of its private activity bond allocation for the HFA to issue mortgage credit certificates to persons of low and moderate income acquiring qualified owner-occupied residences.

Capitalized terms used in this PROGRAM MANUAL are defined under the caption "DEFINITIONS."

General Overview

A mortgage credit certificate (each an "MCC" and collectively or more than one (1), as the context requires, "MCCs") is an instrument designed to assist persons of low to moderate income to better afford individual ownership of housing. The procedures for issuing MCCs were established by the United States Congress as an alternative to the issuance of single-family mortgage revenue bonds. As distinguished from a bond program, in an MCC program no bonds are issued, no mortgage money is actually raised, many of the costs associated with a bond program are not incurred, and lenders are required to pay only nominal up-front fees.

MCCs are issued directly to qualifying Applicants who are then able each year to take a tax credit equal to a specified percentage of the interest paid on their mortgages not

to exceed \$2,000.00 if the MCC rate exceeds twenty percent (20%). The MCC Rate may not be less than 10% and not greater than 50% and is subject to change from time to time. Thus, an Applicant with a \$300,000.00 mortgage and a thirty percent (30%) (assumed for purposes of this illustration) Mortgage Credit Certificate Rate would be eligible to receive a tax credit as follows:

Mortgage Amount:	\$300,000.00
Interest Rate:	4.5%*
Total Interest Paid:	\$13,500.00
First Year (Mortgage Credit Certificate Rate):	X 30%
Tax Credit:	\$2,000.00**
	*Assumed solely for illustration purposes
	**Maximum tax credit

(Based upon a 30-year mortgage with equal monthly installments of principal and interest.)

During the first year of the Program, this Applicant would be entitled to a tax credit of \$2,000.00. Based upon such an entitlement, he or she would be able to file in advance a revised W-4 withholding form taking into consideration this tax credit and have approximately \$166.66 per month in additional disposable income. Additionally, taxpayers who file itemized returns may take a deduction for their mortgage interest paid each year, less an amount equal to the tax credit taken. (In the above example, the additional interest deduction would be approximately \$13,500.00 less \$2,000.00, or \$11,500.00)

The amount paid for an MCC is not refundable. The benefit to the homeowner cannot exceed the amount of federal taxes paid each year after other credits and deductions have been taken into account. Any unused MCC tax credit can be carried forward up to three (3) years to be applied against future income tax liability. In addition, all or a portion of the MCC tax credit may be subject to recapture if the residence is sold within nine (9) years of purchase. This tax credit recapture is further explained in the Notice of Potential Recapture Tax on Sale of Home found at Tab 5 of this PROGRAM MANUAL.

Since the HFA will not make or hold these mortgages, the HFA will not underwrite the loans. Rather, all loan approval, underwriting and execution of required state and federal certifications or Affidavits will be performed by the Participants participating in the Program. The HFA will receive executed certificates and Affidavits on each application from a Participant in order to determine eligibility for the Program. Participants will process mortgage loans of all types, using normal procedures, with additions to procedures at relevant points in order to satisfy Program requirements.

The volume of MCCs available in the Eligible Loan Area is determined by a procedure set forth in the Code. Under the Program, the HFA, as an issuer of mortgage revenue bonds, can trade \$1.00 of bond authority for \$0.25 of MCC authority. When the HFA initially elected to trade in \$50,000,000 of bond authority, it received \$12,500,000 of MCC authority. Each MCC uses up an amount of MCC authority equal to the amount of the mortgage loan multiplied by the MCC Credit Rate the HFA will allow (presently established at not less than ten percent (10%) and not greater than fifty percent (50%)). An average \$300,000.00 mortgage amount uses up \$90,000.00 of MCC authority based on a thirty percent (30%) percent Mortgage Credit Certificate Rate. Based on this average MCC utilization rate, \$12,500,000 of MCC authority will serve approximately 139 Eligible Loan Area homeowners.

The HFA encourages all who believe they qualify to apply for an MCC at the offices of a Participant who can explain the Program, its requirements and its restrictions. Use of the MCC Information Guide included at Tab 1, respectively, in this PROGRAM MANUAL can assist Participants and Applicants in determining whether or not an Applicant can qualify for the Program. The Participant should be well-versed in the state, federal and local restrictions outlined in this PROGRAM MANUAL so that Applicants are aware of these restrictions before the application is taken. The Participant must reject applicants who do not qualify under the restrictions of the Program.

\$2,500,000 of the MCC authority has been set aside for the first (1st) year of the Program to be used only in connection with the issuance of MCCs to owners of homes located within federally designated targeted areas ("Targeted Areas").

The purpose of this PROGRAM MANUAL is to describe the Program, set forth the relevant state and federal restrictions, identify the respective roles of the HFA, the Participant, the Applicant and the Seller, and to detail the processing procedures. The Program definitions, MCC processing documents and applicable federal regulations are included in this PROGRAM MANUAL for your reference.

The HFA may revise this PROGRAM MANUAL from time to time by issuing amendments hereto. The HFA will use its best effort to (i) maintain a list of parties who have received the PROGRAM MANUAL from the HFA, and (ii) keep an electronic mailing list so that any such amendments may be electronically mailed to them automatically. Note as the PROGRAM MANUAL will be readily available via the HFA's website and other means of distribution for which the HFA does not have information regarding the recipient, interested parties are encouraged to contact the HFA to assure inclusion within its electronic mailing list. Notwithstanding anything to the contrary in this PROGRAM MANUAL, the HFA shall in no way be liable for, and all parties on any such list described in this paragraph shall be considered to have waived any and all claims against the HFA for, the failure of the HFA to notify or send to such parties (i) any amendments to the PROGRAM MANUAL, and/or (ii) any information or developments pertaining to the PROGRAM MANUAL.

DEFINITIONS

As used in this PROGRAM MANUAL, the following words and terms have the meaning set forth below:

Acquisition Cost. The term "Acquisition Cost" has the meaning given to that term under Internal Revenue Code Section 143 and the regulations thereunder, which currently is the cost to an Applicant of acquiring a Residence from the Seller as a completed residential unit, including: (i) all amounts paid, either in cash or in kind, by the Applicant (or a related party or for the benefit of the Applicant) to the Seller (or a related party or for the benefit of the Seller) as consideration for the Residence; (ii) if the Residence is incomplete, the reasonable cost of completing the Residence; and (iii) if the Residence is purchased subject to a ground rent, the capitalized value of the ground rent calculated using a discount rate authorized by the Internal Revenue Service. The cost of property such as furniture or appliances that are not fixtures under the laws of the State is not considered part of the Acquisition Cost unless the cost of acquiring such items is in excess of fair market value, in which case the amount of the excess must be included in the Acquisition Cost of the Residence. For example, if the Mortgagor agrees to purchase the refrigerator, washer and dryer from the Seller for \$1,000 more than the fair market value of such items, the additional \$1,000 must be included in the Acquisition Cost. In addition, if in connection with the purchase of a Residence the Mortgagor agrees to pay or assume liability for a debt of the Seller, the amount of such debt must be included as part of the Acquisition Cost. "Acquisition Cost" does not include: (i) usual and reasonable settlement and financing costs (including title and transfer fees, title insurance, survey fees, credit reference fees, legal fees, appraisal expenses, points paid by the Applicant (but not points paid by the Seller) and other similar costs), but only to the extent that such amounts do not exceed the usual and reasonable costs which would be paid by the Applicant in a case in which financing is not assisted by the issuance of an MCC or provided through the issuance of tax-exempt bonds (for example, if the Applicant agrees to pay more than a pro rata share of property taxes, such excess shall be treated as part of the Acquisition Cost); and (ii) the value of services performed by the Applicant or members of the Applicant's family (including brothers and sisters (whether by whole or half-blood), spouse, ancestors and lineal descendants only) in completing the Residence. For example, where the Applicant builds a Residence alone or with the help of Family members, the Acquisition Cost includes the cost of materials provided and work performed by subcontractors, whether or not related to the Mortgagor, but does not include the imputed cost of any labor actually performed by the Applicant or a member of the Applicant's Family in constructing the Residence. Similarly, where the Applicant purchases an incomplete Residence, the Acquisition Cost includes the cost of material and labor paid by the Applicant to complete the Residence, but does not include the imputed value of the Applicant's labor or the labor of the Applicant's Family in completing the Residence; (iii) the cost of land (other than land possessed under a Contract for Deed) which has been owned by the Applicant for at least two (2) years prior to the date on which construction of the Residence begins and (iv) the amount of financing provided under a "qualified program" under Section 143(k)(10) of the Code, but only if the residence

is located in a high housing cost area, as defined in Section 143(f)(5) of the Code.

This term is more fully described on Worksheet Two to the Mortgagor Affidavit contained at Tab 3 of this PROGRAM MANUAL. The Acquisition Cost Limits are set forth in Appendix A to the MCC Worksheet included as Tab 1 of this PROGRAM MANUAL.

Affidavits. An affidavit filed in connection with the Program made under oath and subject to the penalties of perjury and the civil penalties provided herein.

Applicant or Mortgagor. Any person or persons: (i) whose Income does not exceed the Income Limits; (ii) who intends to occupy the Residence to be financed with a loan as his or her Principal Residence within a reasonable period (not to exceed sixty (60) days) following the making of such loan; (iii) who has not had a present Ownership interest in a Principal Residence at any time during the three (3)-year period ending on the date of execution of the loan; provided, however, that the three (3)-year requirement does not apply to an Applicant who purchases a Residence located in a Targeted Area or to Qualified Veterans; (iv) who has not had an existing mortgage (including a deed of trust, conditional sales contract, pledge, agreement to hold title in escrow or any other form of owner-financing), whether or not paid off, on the Residence to be financed with such loan at any time prior to the execution of the loan, other than an existing mortgage securing a construction period loan, bridge loan or similar temporary financing initially incurred for the sole purpose of acquiring the Residence, initially incurred within twenty-four (24) months of execution of the loan and having an original term not exceeding twenty-four (24) months; and (v) who is a United States citizen, a lawful permanent resident alien or a non-permanent resident alien who is eligible to work in the United States, in each case with a valid social security number and who meets the criteria set forth in this PROGRAM MANUAL.

An Ownership interest in a mobile home or other factory-made housing which was permanently affixed to real property owned by the Applicant constitutes Ownership in a Principal Residence.

A Residence includes a single-family house, condominium unit, multi-family dwellings of two (2), three (3) or four (4) units of which one is occupied by the Applicant or mobile home permanently affixed to real property. The term also includes any manufactured home which has a minimum of 400 square feet of living space and a minimum width of 102 inches and which is of a kind customarily used at a fixed location and permanently affixed thereto. The term Residence does not include recreational vehicles, campers, mobile homes not permanently affixed to real property and other similar vehicles. LOAN PROCESSING PROCEDURES AND PROGRAM ADMINISTRATION

Applicants that may be eligible for participation in the Program should apply for MCCs in conjunction with their normal mortgage loan applications. Applicants must make applications for Fannie Mae Conventional, Freddie Mac Conventional, FHA, VA, or USDA-RHS mortgage financing, or with the HFA's prior written consent, other home mortgage financing allowed per the Program requirements at the mortgage lending institution of their choice participating in the Program before applying for an MCC. The initial Program requirements require a fixed-rate mortgage with a minimum term of fifteen (15) years.

The MCC processing procedures are designed to coincide with the regular, on-going mortgage loan processing and underwriting procedures that are in place at most mortgage lending institutions. The HFA recognizes that there are procedural variations among the Participants; consequently, the procedures outlined herein are meant to be suggestive with respect to the sequence of events. However, all the elements of the processing sequence noted below must at some point be completed by the responsible party.

The fees of the Program are set forth at each step in the processing procedures which follow, and the fees charged by the Participant may in no event exceed the fees specified in this PROGRAM MANUAL. A Schedule of Program Fees and Expenses is attached hereto as Exhibit "A".

The following is the loan processing and Program administration flow chart for the MCC Program:

A. Loan Origination and MCC Application

1. The Applicant applies for a loan from a Participant. The Participant may not accept an application from any of its employees nor any spouse or person related within the third degree of affinity (marriage) or consanguinity (blood) to any employee of the Participant.

2. The Participant gives the Applicant an MCC Information Guide that explains the Program and contains consumer information. (See Tab 1 of this PROGRAM MANUAL for the MCC Information Guide.) The MCC Information Guide is intended to (i) present certain facts to the Applicant concerning the restrictions, regulations, and prohibitions of the Program because of certain federal, state and HFA regulations, and (ii) explain the penalties for misuse of the Program. It is imperative that the Applicant understands the terms and conditions of the Program. During the initial interview, it is the sole responsibility of the Participant to explain the terms and conditions of the Program to the Applicant, and to make sure that the Applicant receives a copy of the MCC Information Guide.

3. The Participant generally determines if the Applicant is a possible candidate for an MCC, based on preliminary indications of Income, Acquisition Cost, prior Ownership, tax liability, and other factors such as FICO Credit Scores.

4. No applications for an MCC under the Program can be taken from Applicants by Participants prior to January [___], 2026. All persons interested in making application for an MCC at a Participant must be considered on a first-come, first-served basis, and must have an application for a mortgage loan on file with the Participant. Participants must keep a log of all MCC applications received and the disposition of such applications.

5. As part of the loan application process, the Participant should have the Applicant sign the Mortgage Affidavit. (See Tab 3 of this PROGRAM MANUAL.) This document serves as the application and contains certifications and Affidavits required of the Applicant by the

federal MCC regulations and state requirements as follows:

(a) Certification that the Applicant's annualized gross monthly Income does not exceed the applicable Income Limits.

(b) Certification that the home will be used as a Principal Residence, and that the MCC holder will notify the HFA when the home ceases to be the Principal Residence of the holder.

(c) Certification that Applicant has not had an ownership interest in a Principal Residence during the preceding three-year period (unless a Permissible Exception applies).

(d) Certification that the Residence is located within the Eligible Loan Area.

(e) Certification that the loan is a new mortgage loan.

(f) Certification that the loan applied for does not constitute a Prohibited Mortgage.

(g) Certification that the Acquisition Cost does not exceed the Acquisition Cost Limits.

(h) Certification that the Applicant was not forced to apply through a particular Participant.

(i) Certification that no interest is being paid to a related person.

(j) Acknowledgment by the Applicant that the MCC cannot be transferred without the prior written approval of the HFA in accordance with Program requirements.

(k) Certification that there are no allocations to particular developments as described in Treasury Regulation §1.25-3T(k).

(l) To the extent applicable, certificate of the Applicant's status as a Qualified Veteran.

(m) Acknowledgment by the Applicant that any material misstatement or fraud is made under penalty of perjury and the civil penalties provided herein.

As part of the loan application process, the Participant shall also confirm that the Acquisition Cost of the Residence certified to by the Applicant (see (g) above in this Section 5) in the Mortgagor Affidavit (Tab 3 of this PROGRAM MANUAL) is consistent with the Acquisition Cost of the Residence provided by the Seller/Builder and/or GSE/Institutional Seller pursuant to Tab 8 attached to this PROGRAM MANUAL.

6. The Participant submits Request for MCC Commitment Letter (Tab 2 of this PROGRAM MANUAL), Mortgagor Affidavit with the four worksheets attached thereto (Tab 3 of this PROGRAM MANUAL) and the most recent three (3) years tax returns or IRS tax transcripts (if applicable) of Applicant to the HFA, along with the MCC Commitment Fee. The MCC Commitment Fee shall be paid by the Applicant, to the Participant, for payment to the HFA, on the Applicant's behalf. The MCC Commitment Fee may be adjusted from time to time by the HFA, in its sole discretion, without prior notice.

7. The Participant may provide the Applicant with a copy of IRS Form W-4 Employee's Withholding Allowance Certificate. The Applicant may complete the W-4, if necessary, to change his or her Federal withholding tax, adjusting it in an amount comparable to the expected MCC tax credit. (See Tab 5 of this PROGRAM MANUAL)

8. The Participant shall also provide the Applicant with the Notice of Potential Recapture Tax on Sale of Home (See Tab 5 of this PROGRAM MANUAL), which must be signed by the Applicant at or prior to closing.

9. A Participant may not remove a co-occupying spouse from an application for the purpose of qualifying the Applicant.

B. Review and Issuance of MCC Commitment Letter

1. The HFA reviews the Mortgagor Affidavit to determine whether or not it has been completed in accordance with this PROGRAM MANUAL and properly executed. The HFA will also approve Mortgagor Affidavits in the order of priority set forth herein.

2. If the HFA determines that the Mortgagor Affidavit is completed and has been properly executed, the HFA issues and sends to the Participant, by electronic mail, an MCC Commitment Letter within fifteen (15) business days of receipt of the Mortgagor Affidavit and Request for MCC Commitment Letter stating that the Applicant has been approved and that an MCC will be executed and delivered to the Applicant upon closing of the loan subject to completion of all of the remaining requirements of the Program.

3. The HFA will keep a running, cumulative-to-date total of MCC Commitments and MCCs issued, less the amount of any MCC Commitments which have expired or terminated. The MCC Commitment Letter will contain an expiration date of four months on a loan for New Housing and two months on a loan for Existing Housing.

4. When MCC Commitments have been issued under the Program which have effectively committed an aggregate total of seventy-five percent (75%) of the MCC authority for the Program, the HFA will prepare and use its best efforts to distribute a notice to all Participants and all other persons who subscribe to the PROGRAM MANUAL stating that seventy-five percent (75%) of the MCC authority has been utilized.

5. When MCC Commitments or MCCs have been issued under the Program which have effectively committed all of the MCC authority for the Program, the HFA shall hold each application received after such date on a waiting list in order of receipt without depositing the MCC Commitment Fee. Any such applications may be withdrawn at any time while they are on the waiting list prior to issuance of an MCC Commitment Letter. Once all of the MCC authority has been used, any remaining applications on the waiting list will be returned to the respective Participants for return to the respective Applicants.

6. MCC Commitments may not be transferred from one Participant to another. In the event an Applicant elects to change Participants, the MCC Commitment which has been issued shall be revoked and a new application process must be commenced by the Applicant with the new Participant.

Notwithstanding anything to the contrary in this PROGRAM MANUAL, the issuance of an MCC Commitment only serves to reserve funding under the Program for a specific Applicant and does not entitle the Applicant to an MCC until such time as all terms and requirements of the Program are satisfied, in the sole judgement of the HFA.

C. Participant Loan Approval and Verification

1. The Participant requests the Applicant to supply the federal tax returns or IRS tax transcripts for the previous three (3) years to be included in the initial Request for MCC Commitment Letter (Tab 2 of this PROGRAM MANUAL) to the HFA along with the Mortgagor Affidavit. Such tax returns are not required for loans made in Targeted Areas or for an Applicant who is a Qualified Veteran.

2. The Participant performs normal loan approval or underwriting procedures.

3. The Participant may consider the MCC when determining the amount of disposable income available for the monthly house payment in order to determine the Applicant's qualification for the loan. The Participant determines general acceptability in accordance with its own loan approval standards and applicable FNMA, FHLMC, FHA, VA, USDA-RHS and private mortgage insurance standards and underwriting guidelines.

4. In conjunction with the Participant's regular verification process, the Participant performs reasonable investigation as to whether the Program requirements have been met as required by regulations noted in the certificate of the Participant. Participants may verify these facts at different times and in various ways, depending upon the Participant's particular procedures for processing loans.

5. The Participant verifies that the Income Limits, Acquisition Cost Limits, and other non-credit Program requirements are met.

D. Loan Closing and Submission of Final MCC Program Documents

1. The Participant confirms that the MCC Commitment has not expired and closes the loan in the normal fashion with the Applicant.

2. Either the Participant or the closing agent submits to the HFA a completed and executed MCC Submission Package. (See Tab 6 of this PROGRAM MANUAL for the MCC Submission Cover Sheet and the list of MCC Submission Package exhibits.)

3. The MCC Submission Package includes all of the executed certifications and Affidavits noted herein. Each document must be complete and signed where appropriate. All documents must be dated within six (6) months of the submission date to the HFA. Original documents should be sent to the HFA, except as otherwise indicated. The eligibility of an Applicant shall be determined by the Participant. The Participant must review the MCC Submission Package and related documents to determine their completeness in accordance with the terms of this PROGRAM MANUAL. Reasonable efforts should be undertaken to verify the information given, either independently or concurrently with underwriting procedures.

4. The MCC Submission Package will specifically include the following documents:

(a) A Program Income Affidavit, with the required attachments, duly executed by the Applicant (See Tab 7 of this PROGRAM MANUAL for this document);

(b) The Seller/Builder Affidavit or GSE/Institutional Seller Affidavit, certifying the Acquisition Cost of the Residence and certain other matters contained therein (See Tab 8 of this PROGRAM MANUAL for these documents);

(c) A Certificate of Participant, certifying that the Participant has performed a reasonable investigation to make the required Program determinations and certifying compliance with the HFA's lending policy (See Tab 5 of this PROGRAM MANUAL for this document). Further, by its submission, the Participant certifies that all Program eligibility requirements have been met, and that the loan fees are reasonable relative to other loans not associated with MCCs;

(d) The Closing Affidavit, executed by the escrow or closing agent or the Participant, attesting to the fact that the loan was closed and stating the final mortgage loan amount (See Tab 9 of this PROGRAM MANUAL for this document);

(e) The Notice of Potential Recapture Tax on Sale of Home, executed by the Applicant (See Tab 5 of this PROGRAM MANUAL for this document);

(f) The MCC Issuance Fee (subject to periodic revisions by the HFA, in its sole discretion, without prior notice), in the form of a check or money order made

payable to the HFA or a wire transfer is submitted with the Submission Package. The MCC Issuance Fee shall be paid by the Applicant, to the Participant, for payment to the HFA, on the Applicant's behalf. In addition to the MCC Issuance Fee and the other fees provided herein, the Participant may collect and retain at loan closing the MCC Handling Fee. Such Fee may be paid by the Applicant, the Seller or any other person on the Applicant's behalf; and

(g) The Applicant's certificate of completion of an approved pre-purchase homebuyer education course. This requirement will be waived for Applicants who have owned a home within the past five (5) years.

5. ALL DOCUMENTS MUST BE SUBMITTED TO THE HFA BY THE EARLIER OF (A) THIRTY (30) DAYS AFTER THE CLOSING DATE OR (B) WITHIN THIRTY (30) DAYS OF THE MCC COMMITMENT LETTER EXPIRATION DATE.

E. Issuance of MCC

The HFA confirms the completion of the Applicant's file, that the MCC Commitment Letter was issued, and that the loan was closed as evidenced by the MCC Submission Package, and that the Applicant has met the requirements for issuance of an MCC.

The HFA then forwards to the Applicant, with a copy to the Participant, an executed MCC dated as of the closing date of the loan. A copy of the MCC is retained by the HFA. No MCCs may be issued prior to [January [____], 2026]. No MCCs may be issued for loans having a closing date after [December 31, 2028].

F. Suspended File; Resubmission of MCC Documents

If an MCC application or MCC Submission Package is incomplete or incorrect, the file will be suspended and the Participant will be given up to thirty (30) days from the date of initial contact by the HFA to submit missing and/or revised documentation (the "Initial Contact Date"). A Late Fee (described in Exhibit A to PROGRAM MANUAL) may be assessed to the Participant for MCC applications and/or MCC Submission Packages that remain incomplete or incorrect (as determined in the HFA's sole discretion) for more than thirty (30) days from the Initial Contact Date. Any resubmission of an MCC Application or MCC Submission Package that has been returned or denied by the HFA must include all information which the HFA has determined necessary for reconsideration. An MCC application or MCC Submission Package that is being submitted a second time will be reviewed in depth.

G. Extensions of MCC Commitments

1. In regard to any MCC Commitment Letter that is outstanding and a loan which will not close prior to the expiration date, an extension may be requested by the issuing Participant prior to the expiration date.

2. A two (2)-month extension will be given upon the Participant's written submission of a request to extend the commitment. Additional extensions may be granted if and when the HFA determines that extenuating circumstances exist. Expiration dates may be subject to additional federal requirements.

H. MCC Commitment Cancellations

The Participant should notify the HFA of any MCC Commitments to be canceled by submitting written notification to the HFA of same.

I. MCC Commitment Amendments

In the event of any change in the Residence address, increase in loan amount, or change in marital status of the Applicant which would necessitate the filing of an amended Mortgagor Affidavit and the revision of an MCC Commitment Letter, the Participant should submit a new Mortgagor Affidavit with the correct information and a cover letter referring to the MCC Commitment Number requesting a revision to the MCC Commitment.

J. Reissuance of MCC

The HFA shall, upon payment by the MCC holder of a Reissuance Fee, issue a reissued MCC for certain refinancings under Treas. Regs. §1.25-3(p) if the HFA receives to its satisfaction evidence that:

(i) The reissued MCC is issued to the holder of an existing MCC with respect to the same property to which the existing MCC relates.

(ii) The reissued MCC entirely replaces the existing MCC (that is, the holder cannot retain the existing MCC with respect to any portion of the outstanding balance of the certified mortgage indebtedness specified on the existing MCC).

(iii) The certified mortgage indebtedness specified on the reissued MCC does not exceed the remaining outstanding principal balance of the certified mortgage indebtedness specified on the existing MCC.

(iv) The reissued MCC does not increase the MCC credit rate specified in the existing MCC.

(v) The expiration date on the reissued MCC is not later than the expiration date on the existing MCC.

(vi) The reissued MCC does not result in an increase in the tax credit that would otherwise have been allowable to the holder under the existing MCC for any taxable year. The holder of a reissued MCC determines the amount of tax credit that would otherwise have been allowable by multiplying the interest that was scheduled to have been paid on the

refinanced loan by the MCC rate of the existing MCC. In the case of a series of refinancings, the tax credit that would otherwise have been allowable is determined from the amount of interest that was scheduled to have been paid on the original loan and the MCC rate of the original MCC.

(vii) Any additional requirements of the Code or Treasury regulations.

K. Changes in Applicant's Circumstances Prior to Closing

MCC Commitments are issued subject to the condition that all the requirements necessary for issuance of an MCC shall have been met prior to issuance of the MCC. The Participant must notify the HFA of any changes that affect the conditions under which the MCC Commitment was issued.

1. Changes in the Applicant's Financial Condition After Issuance of MCC Commitment and Prior to Closing

The eligibility of an Applicant for an MCC is based upon the Applicant's Annual Income and Family size, and the HFA will issue an MCC Commitment Letter based on such factors at that point in time. Changes in the Applicant's financial status or Family size occurring after the MCC Commitment Letter is issued will affect the validity of the MCC Commitment. Upward changes in annual Income, whether or not foreseen or predictable at the time of the issuance of the MCC Commitment and changes in the working status of a spouse from unemployed to employed will also affect the validity of an MCC Commitment. If the Applicant marries after issuance of the MCC Commitment Letter and prior to closing, the new spouse must satisfy the prior home Ownership requirements contained in the Mortgagor Affidavit, and the Participant must notify the HFA and submit a new Mortgagor Affidavit completed by both spouses with the MCC Submission Package. Any Income added to the Family Income previously declared because of a new spouse will affect the validity of the MCC Commitment.

2. Changes in Home Ownership Status, Acquisition Cost and Amount of Loan After Issuance of MCC Commitment Letter and Prior to Closing

If the Applicant acquires a present ownership interest in a Principal Residence prior to loan closing, the MCC Commitment will be revoked. If the total Acquisition Cost of the Residence purchased in connection with the MCC increases so as to exceed the Acquisition Cost Limitations set forth herein, the MCC Commitment will be revoked. If the amount of the loan increases, thereby causing an increase in the MCC credit amount, the Commitment will be revoked if the increase in MCC credit amount serves to increase the aggregate MCC credit amount of all MCCs issued by the HFA above the aggregate MCC credit limit imposed by law.

3. Other Changes in Circumstances After Issuance of MCC Commitment Letter and Prior to Closing; Post-Closing Changes in Circumstances

The MCC Commitment Letter is issued in reliance upon the Mortgagor Affidavit. The Participant must immediately notify the HFA in writing of any change in the circumstances upon which the MCC Commitment Letter was issued. If any other change of the circumstances upon which the MCC Commitment Letter was issued occur so that the MCC to be issued will not meet the requirements of a qualified MCC, the MCC Commitment Letter will be revoked.

Following the loan closing, a spouse who previously satisfies the prior home Ownership requirements contained in the Mortgagor Affidavit and ceases to occupy the Residence, shall complete an Affidavit of Non-Occupying Spouse. See the Affidavit of Non-Occupying Spouse at Tab 12 of this PROGRAM MANUAL.

L. Record Keeping and Federal Report Filing

1. For each calendar quarter (or such other period or frequency as may be required by Treasury regulations or any rules or laws to which the HFA is subject) during which the HFA issues MCCs beginning with the quarter in which the election to issue that MCCs is made, it must make reports on IRS Form 8330. The report must include:

- (a) Name, address and TIN (social security number or tax identification number) of the HFA.
- (b) Date of election.
- (c) The sum of the products of the certified indebtedness amount (loan amount), and the MCC rate, for each MCC issued.
- (d) Name, address and TIN of each MCC holder where an MCC was revoked.

2. Annually (or such other period or frequency as may be required by Treasury regulations or any rules or laws to which the HFA is subject), the HFA must report to the Internal Revenue Service:

- (a) The number of MCCs by Income and Acquisition Cost as required by IRS reporting regulations.
- (b) The volume of MCCs by Income and Acquisition Cost as required by IRS reporting regulations.

3. For each calendar year (or such other period or frequency as may be required by Treasury regulations or any rules or laws to which the HFA is subject) during which it originates loans to Applicants obtaining MCCs, the Participant must file an annual report using IRS Form 8329. Prior to the filing deadline for such report, the HFA will assist in furnishing to the Participant the information in its records necessary for the Participant to complete IRS Form 8329.

4. For six (6) years, the Participant must retain:
 - (a) Name, address and TIN of each MCC holder.
 - (b) Name, address and TIN of the HFA.
 - (c) Date of loan, certified indebtedness amount, and MCC credit rate.

5. In January following each year during which MCCs are issued, the HFA will attempt to mail an IRS Form 8396 to each MCC holder of record as a reminder to properly declare the MCC tax credit for federal income tax purposes.

M. Revocation of MCCs

1. Automatic revocation occurs when the Residence related to the MCC ceases to be the MCC certificate holder's Principal Residence.
2. An MCC holder will have its MCC revoked if the holder does not meet the requirements for a qualified MCC.
3. Revocation will occur upon the discovery of any material misstatement, whether negligent or fraudulent, by any person related to the issuance of the MCC.

N. Curing Defects

In the event any defects are discovered in the application or any certificate or Affidavit after an MCC has been issued, the Participant and the MCC holder shall be notified of such defect and given sixty (60) days to cure same prior to revocation of the MCC.

O. Transfer of MCCs on Mortgage Assumptions

A loan assumption associated with an MCC will be treated as a new MCC application, and the procedure required by this PROGRAM MANUAL will be repeated. Since an MCC will already be outstanding, an MCC Commitment Letter will not be issued, and all of the required Program documents will be submitted at one time with the MCC Submission Package. A single MCC Assumption Fee will be charged by the HFA in connection with such transfers, which fee may be adjusted from time to time by the HFA, in its sole discretion, without prior notice.

P. Post-Audit

The HFA may perform a random case post-audit of the Participant records.

Q. Notice of MCC Eligibility Denial

In the event a Participant determines that an Applicant is ineligible for an MCC

Commitment or the issuance of an MCC, the Participant shall provide a written notice of denial of eligibility for MCC to the HFA such notice of denial of eligibility for MCC shall state the reason the Participant denied the Applicant's eligibility in the Program, and the HFA shall maintain a list of prospective Applicants that were denied eligibility in the Program.

R. Recapture of MCC Tax Credit

In the event an MCC holder sells his or her Principal Residence within nine (9) years of issuance of an MCC, a portion of the tax credit utilized by the holder may be subject to a recapture tax. See the Notice of Potential Recapture Tax on Sale of Home at Tab 5 of this PROGRAM MANUAL for further information regarding tax credit recapture.

S. Targeted Area Reservation

For at least one (1) year after the commencement of the Program, the HFA will reserve twenty percent (20%) of the HFA's MCC authority for home mortgage loans in Targeted Areas. The Targeted Area reservation for the HFA's MCC Program equals \$500,000.

T. Qualified Veterans

A Qualified Veteran is exempt from the three (3)-year no prior home ownership requirement. The Qualified Veteran must (a) certify that he or she (i) has not previously obtained a mortgage loan financed by single family mortgage revenue bonds utilizing the exception set forth in Section 142(d)(2)(D) of the Internal Revenue Code of 1986, as amended, and (ii) is utilizing the veteran exception set forth in Section 143(d)(2)(D) of the Internal Revenue Code of 1986, as amended, (b) complete Worksheet Four to the Mortgagor Affidavit (Tab 3 of this PROGRAM MANUAL) evidencing qualification as a veteran and (c) provide copies of discharge papers, if applicable.

APPLICANT AND LOAN APPROVAL REQUIREMENTS

A. Overview

For loans involving MCCs, the conventional loan approval and underwriting standards may be modified to reflect a recognition of the MCC derived federal income tax credit for mortgage interest in determining income, housing expense, and indebtedness ratios. The secondary mortgage market and the mortgage insurance industry have established underwriting policies for loans involving MCCs. These are available separately as policy statements from the mortgage lending industry. The loan underwriting process is solely the responsibility of the Participant and the HFA does not direct or recommend any underwriting standards or practices. This statement is included solely for informational purposes.

The Applicant, Acquisition Cost and mortgage underwriting requirements covered in this section are incorporated in the Program documents contained in this PROGRAM

MANUAL. It will be necessary for all Applicants, Participants and other parties to the transaction to complete and sign the appropriate Program documents and attest to their validity. The Participant will be required to submit certifications in which it will certify that, to the best of its knowledge, no material misstatements, appear in the Submission Documents. If the Participant becomes aware of misstatements, whether negligently or intentionally made, it must notify the HFA of such misstatements in writing immediately. The HFA reserves the right to take all appropriate actions including, if necessary, denial or revocation of the MCC. The Participant should also be aware, and inform the Applicant, that both federal and State law provide for fines and criminal penalties for misrepresentations made in connection with participation in the Program. In an attempt to assure that Program requirements are met, a Mortgagor Affidavit is required of each Applicant, and must be submitted to the HFA.

B. Applicant Eligibility Requirements

Similar to any normal mortgage loan, the Applicant must meet the credit and underwriting criteria established by the Participant providing the loan. Based on relevant federal and state regulations, Applicants must also meet the following requirements specific to MCCs:

1. **First-time Homebuyer Requirement.** The Applicant who will become an MCC holder cannot have had an Ownership interest in a Principal Residence at any time during the preceding three (3) years ending on the date on which the loan is executed. This requirement qualifies the Applicant as a “first-time homebuyer” with respect to the federal regulations. The Participant must obtain from the Applicant an Affidavit to the effect that the Applicant had no Ownership interest in a Principal Residence at any time during the three (3)-year period prior to the date on which the loan is executed. This fact must be verified by the Participant through request for, and examination of, the Applicant's federal income tax returns for the preceding three (3) years to determine whether the Applicant has claimed a deduction for interest or taxes on property that was the Applicant's Principal Residence. The first-time homebuyer requirement does not apply to a loan made to finance a Residence in a Targeted Area or Qualified Veterans.

For purposes of the first-time homebuyer requirement, a Principal Residence includes a single-family house, condominium unit, mobile home, share of a housing cooperative, or occupancy of a unit in a two (2), three (3) or four (4) unit multi-family building owned by the Applicant. Ownership interest means ownership by any means, whether outright or partial, including property subject to a mortgage or other security interest. Ownership interest also means a fee simple ownership interest, a joint ownership interest by joint tenancy, tenancy in common, or tenancy by the entirety, an ownership interest in trust, a life estate interest, and purchase by a land contract or contract for deed. To meet the first-time homebuyer requirement, the Applicant must complete and sign the Mortgagor Affidavit and provide the last three (3) years of federal income tax returns (or acceptable alternate exhibits — see below) attached to the Mortgagor Affidavit. In lieu of actual copies of returns, Applicants who filed Form 1040 income tax returns or any other tax return permitted by the Internal Revenue Service (“IRS”) may substitute an original letter

from the Internal Revenue Service stating the type of return filed by the Applicant for each tax year, the Applicant's filing status and adjusted gross income. To summarize this procedure as it applies to different cases:

(a) If the Applicant can produce copies of signed Form 1040 returns or any other tax returns that may be permitted by the IRS for the last three (3) years which show no deductions of interest or taxes for a Principal Residence, these forms must be submitted to the Participant and forwarded to the HFA with the Mortgagor Affidavit.

(b) In the event the Applicant has filed Form 1040 or any other tax returns that may be permitted by the IRS the preceding three years but cannot produce the signed copies of the returns, the Applicant may substitute an original tax account information letter from the Internal Revenue Service verifying the required facts (the "Tax Return Transcript"). The Tax Return Transcript can be requested from the IRS by the Applicant by using IRS Form 4506-T (Request for Transcript of Tax Return).

(c) In the event the Applicant has filed the Form 1040 or any other tax returns that may be permitted by the IRS for the preceding three years, completes and signs the other required Affidavits, but cannot produce the signed copies of the returns, the HFA will not issue the MCC until receipt of certified tax returns (including all schedules) from the IRS, which returns show the Applicant took no deduction of interest or taxes for a Principal Residence for the years in question. The certified tax returns can be requested from the IRS by the Applicant by using IRS Form 4506 (Request for Copy of Tax Return).

(d) In the unusual event the Applicant was not required by law to file federal income tax returns for any year during the preceding three (3) years, it will be necessary for the Applicant to so state on the Mortgagor Affidavit forwarded to the HFA by the Participant with the other Program documents.

(e) When the loan is executed during the period between January 1 and February 15 and the Applicant has not yet filed his or her federal income tax return for the preceding year with the IRS, the HFA may, with respect to such year, rely on a Mortgagor Affidavit stating that the Applicant is not entitled to claim deductions for taxes or interest on indebtedness with respect to property constituting his or her Principal Residence for the preceding calendar year. The Mortgagor Affidavit must be forwarded to the HFA with the Closing Affidavit and the other Program documents.

(f) If the loan is made in a Targeted Area or to a Qualified Veteran, the Applicant is not required to provide tax returns.

2. Principal Residence Requirement. The Applicant must use the Residence that involves the MCC as his or her Principal Residence. The Participant must obtain from the Applicant, via the Program documents, a statement of the Applicant's intent to use the Residence as his or her Principal Residence within a reasonable time (sixty (60) days) after the

MCC is issued. This Affidavit further states that the MCC holder will notify the Participant and the HFA if the Residence ceases to be his or her Principal Residence.

3. Revocation. An Applicant will have his or her MCC revoked if the Applicant does not meet the requirements for a qualified MCC. Revocation will occur upon the discovery of any material misstatement, whether negligent or fraudulent. Revocation will occur if, among other circumstances, the Residence to which the MCC relates ceases to be Applicant's Principal Residence.

4. Fraud. If the Applicant or MCC holder provides a certificate, Affidavit, or any other information to the Participant or the HFA containing a material misstatement and such misstatement is due to fraud, then any MCC issued shall be automatically null and void without the need for any further action by the HFA.

5. Penalties for Misstatement. If the Applicant makes a material misstatement in any Affidavit or certification made in connection with an application for the issuance of an MCC and such misstatement is due to negligence of the Applicant, the Applicant shall pay a civil penalty fee of \$1,000.00 for each MCC with respect to which a misstatement was made. If any Applicant makes a material misstatement in any Affidavit or certification made in connection with application for or issuance of an MCC and such misstatement is due to fraud, the Applicant shall pay a penalty fee of \$10,000.00 for each MCC with respect to which the fraudulent misstatement was made. The above-described civil penalties shall be imposed in addition to any criminal penalty provided by law.

6. Income Limits. The annual gross Income of an Applicant is limited to the applicable amount shown in Appendix A of Tab 1. These limits may be modified periodically.

7. Acquisition Cost Limits. Initially, the Acquisition Cost limits shall be as set forth in Appendix A of Tab 1, but these amounts are subject to revision by any applicable FHA limits, or such revised amounts as may be effective from time to time, as required by the federal regulations. The determination whether the residence meets the applicable Acquisition Cost limits shall be made as of the date of issuance of the MCC. Any revisions of the Acquisition Cost limits by the HFA may rely on average area purchase price limitations published by the Treasury, the HFA, any successor thereof, or as may be provided in Section 143 of the Internal Revenue Code, for the statistical area in which the residence is located.

8. Homebuyer Education. The Applicant must complete a pre-purchase Homebuyer education course under the Program. The education requirement may be met by attending one-on-one counseling as provided by HUD-approved certified Homebuyer Education Providers, Online counseling offered via HUD-approved counseling agencies, and/or HUD-approved, Fannie Mae-approved or Freddie Mac-approved lender programs. The certificate of completion must be included in the Submission Package in order to satisfy this requirement. This requirement will be waived for Applicants who have owned a home within the past five (5) years.

C. Loan Requirements

1. New Loan Requirements. An MCC cannot be issued in conjunction with the acquisition or replacement of an existing loan or mortgage; however, an MCC can be used in conjunction with the replacement of construction period loans or bridge loans of a temporary nature. Construction period or bridge loans must be for no longer than twenty-four (24) months. The Participant must obtain from the Applicant, via the Program documents, a statement to the effect that the loan being made in connection with the MCC will not be used to acquire or replace an existing mortgage or land contract, subject to the exceptions outlined above.

2. Prohibited Mortgages. An MCC cannot be used in conjunction with a qualified mortgage bond or a qualified veterans' mortgage bond. The Participant must obtain from the Applicant, via the Program documents, a statement that no portion of the financing of the Residence in connection with the MCC is provided from a qualified mortgage or veterans' bond.

3. No Interest Paid to Related Persons. No interest on the certified indebtedness amount of the loan can be paid to a person who is a related person to the certificate holder, as the term "related person" is defined in Section 144(a)(3)(A) of the Internal Revenue Code and regulations promulgated by the Internal Revenue Service pursuant thereto. The Participant must obtain from the Applicant, via the Program documents, a statement that a related person does not have, and is not expected to have, an interest as a creditor in the loan.

4. Transferability. If the loan is assumed by a new purchaser, the MCC may be transferable under certain circumstances:

(a) The transferee must demonstrate he or she has assumed the liability for the remaining balance of the loan.

(b) The new MCC must meet all the conditions of the original MCC, and any changes in federal, state or HFA policy that amends the requirements of the original MCC.

(c) Payment of the MCC Assumption Fee.

5. Term of Mortgage Loans. Each mortgage loan associated with an MCC shall have a fixed rate term equal to or greater than fifteen (15) years.

HOUSING FINANCE AUTHORITY OF BROWARD COUNTY, FLORIDA MORTGAGE CREDIT CERTIFICATE PROGRAM

MCC INFORMATION GUIDE

The Housing Finance Authority of Broward County, Florida ("HFA") created its Mortgage Credit Certificate Program (the "Program") for the residents of Broward County, Florida, to help make ownership of new or existing homes located in Broward County more affordable for individuals and families of low and moderate income. A Mortgage Credit Certificate (an "MCC") increases a family's disposable income by reducing its federal income tax obligations. In order to participate in the Program, homebuyers must meet certain eligibility requirements, purchase a home and obtain a mortgage loan through a participating lender, a Program "Participant". (Refer to Appendix A to see if you meet the general requirements for participation in the Program.)

BACKGROUND - MORTGAGE CREDIT CERTIFICATES

What is a Mortgage Credit Certificate?

The mortgage credit certificate program was authorized by Congress in the 1984 Tax Reform Act as a means of providing housing assistance to families of low and moderate income. It is an alternative to the mortgage revenue bond ("MRB") program.

The Mortgage Credit Certificate reduces the amount of federal income tax paid, giving more available income to qualify for a mortgage loan and assist with house payments.

Just as with mortgage revenue bonds, the MCC is (i) available to homebuyers who are first-time homebuyers (except as otherwise provided below), are buying their principal residence, and meet household income and home purchase price limits, and (ii) subject to recapture.

What does the MCC do?

The federal government allows each homeowner to claim an itemized income tax deduction for the amount of interest paid each year on a mortgage loan. A "deduction" reduces the amount of income that is taxed. The MCC program takes the mortgage interest paid and turns a portion of the interest paid into a "tax credit". A "tax credit" is subtracted from the actual amount of federal tax for which the taxpayer is liable. A "tax credit" provides a dollar-for-dollar reduction in federal taxes owed. Since the credits apply for the life of the mortgage, MCC's can save homebuyers thousands of dollars as long as the certificate holder lives in the property as their principal residence. MCC's can be used with all loan types EXCEPT an MRB loan and a qualified veterans mortgage bond loan.

What is the MCC Rate?

The initial amount determined by the HFA of the MCC in this program is a rate of not less than ten percent (10%) and not greater than fifty percent (50%). The HFA reserves the right to amend the MCC rate. Such amendments would apply to those loans reserved after the amendment. After any such amendment, if funds are added to available proceeds as the result of loans not meeting the processing timelines, such funds will be available at the rate prescribed by the amendment.

What is the dollar amount of an MCC to the homeowner?

The amount of mortgage credit depends on the amount of interest paid on the mortgage loan. However, the amount of mortgage credit cannot exceed the amount of annual federal income tax liability. All or a portion of the unused mortgage credit may be carried forward for up to three years to offset future income tax liability.

What is the lender involvement?

Participants/lenders basically are making mortgage loans - just like they do every day. So, a Mortgagor can use any of the lender products available, provided they meet the Program requirements (with the exception of MRB and qualified veterans mortgage bonds) in the marketplace. Participants retain the servicing on the loan. The Participant is responsible for, among other things, (i) filing an annual form for each year in which they originate loans with MCC benefits, and (ii) keeping certain records regarding the MCC. The annual form will be forwarded via email by the HFA for execution by the Participant.

How will a Mortgage Credit Certificate assist with the home purchase?

Based on a mortgage loan of \$300,000.00 originated on January 1, at an interest rate of four and one-half percent (4.5%) for thirty (30) years, in the first (1st) year the mortgage interest is approximately \$13,500.00. A Mortgagor receives a federal income tax credit of \$2,000.00 (maximum tax credit for MCCs in excess of twenty percent (20%) of mortgage interest paid). If annual federal income tax is \$2,000.00 or more after all other credits and deductions have been subtracted, Mortgagor receives the total benefit of the MCC. The balance of the interest paid, or approximately \$11,500.00 may qualify as a deduction in addition to the real estate taxes paid, to the extent the Mortgagor files an itemized tax return. Mortgagors should consult with their tax advisors for an understanding of the MCC benefits.

To receive immediate benefit from the MCC, Mortgagors file a revised W-4 withholding form, and their federal tax withholding would be reduced by \$166.66 per month (\$2,000.00 divided by 12). Mortgagors should consult their tax advisor prior to filing a revised W-4 withholding form.

If federal tax liability is less than \$2,000.00 (assume it is only \$1,500.00 for this example), then the federal income tax is reduced for that year by \$1,500.00. The other \$500.00 of unused

credit may be claimed on tax returns within the next three (3) years.

For the loan in this example, the monthly payment of principal and interest is \$1,520.00. Reducing federal taxes with an MCC credit provides \$166.66 more in income each month to put toward the mortgage payment. From other sources the Mortgagor now needs \$1,353.34 (\$1,520.00 minus \$166.66 income from tax reduction) toward the \$1,520.00 monthly payment.

The benefit of the MCC is recognized by FHA, VA, mortgage insurers, etc. They all may have different formulas that allow the consideration of the MCC for underwriting purposes, but they all recognize the benefit.

Homebuyer Benefit

The MCC will reduce the amount of income taxes due to the federal government; however, the tax benefit cannot exceed the amount of federal taxes owed for the year after other credit and deductions have been taken. Instead, the tax credits can be carried forward three (3) years until used.

Mortgagors will have to adjust federal income tax withholding in order to receive the MCC benefit on a monthly basis. This adjustment is accomplished by the Mortgagor speaking to their payroll department at their place of employment. By reducing monthly withholding, they will have more disposable (after tax) income with which to make mortgage payments.

The benefit of the MCC program continues as long as the buyers continue to own and occupy the property.

What does the Homeowner have to do to claim the benefit with the IRS?

Each year the homeowner files Form 8396 with their federal income tax return. The form is available on the IRS website.

Special Rules

There are special rules regarding refinancing. The Mortgagor should contact the Participant (or their then-current lender if different from the Participant) prior to refinancing its existing mortgage loan.

These instructions are for your information only. The Housing Finance Authority of Broward County, Florida and its officers and agents do not intend to render any income tax advice in connection with this MCC program. All MCC holders or Applicants should consult with the Internal Revenue Service or their personal income tax advisers concerning the appropriate level of withholding allowance given their personal tax situations.

Qualified Property:	The home purchased in the Program must be a one-to-four family residence. If a 2-4 unit dwelling, the buyer must occupy one of the units as its principal residence and the home must be at least five (5) years old. A home may be detached, one unit of a duplex, a townhouse or condominium unit. Manufactured housing qualifies if the unit has at least 400 square feet of living space, is more than 102 inches wide and is of a kind customarily used at a fixed location. It must be attached to real property. Land may not exceed that necessary to maintain basic livability.
Acquisition Limits:	The acquisition limit (total sales price) cannot exceed 90% of the safe harbors for non-Targeted Areas and 110% for Targeted Areas.

Swimming pools, tennis courts, hot tubs or other recreational or entertainment facilities do not qualify.

Qualified Rehabilitation: Qualified Rehabilitation Loans are acquisition and rehabilitation or rehabilitation of a home for which the buyer is the first (1st) resident following rehabilitation. In order for a rehabilitation loan to qualify, (a) there must be a period of at least twenty (20) years between the date on which the structure was first used and the date on which the physical work of rehabilitation began; (b) fifty percent (50%) or more of the existing external walls of the structure are retained in place as external walls in the rehabilitation process; (c) seventy-five percent (75%) or more of the existing external walls of the structure are retained in place as internal or external walls; (d) seventy-five percent (75%) or more of the existing internal structure framework of the structure is retained in place; and (e) the total expenditures for the rehabilitation equals twenty-five percent (25%) or more of the Mortgagor's "adjusted basis" in the residence.

Section 101) who has not previously obtained a loan financed by single family mortgage revenue bonds or a loan which utilized an MCC program using the veteran's exception to the three (3)-year requirement set forth in Section 143(d)(2)(D) of the Code. The Qualified Veteran must provide true and correct copies of their discharge or release papers, which demonstrate that such discharge or release was other than dishonorable.

Program End Date: [December 31, 2028]

Occupancy: Mortgagors are required to occupy the property purchased in the Program within sixty (60) days of closing.

Recapture: Mortgage loans originated under the Program are subject to the recapture provision in accordance with Section 143(m) of the Internal Revenue Code. The recapture tax is similar to a prepayment penalty but is imposed by the IRS to recapture some of the cost savings realized by the homebuyer through the Program. Recapture tax may be imposed if the property is sold within nine (9) years of purchase, and the amount depends upon profit realized from the sale, but in no event will exceed fifty (50%) of the homeowner's gain on the sale or 6.25% of the origination loan amount. The amount of the tax also depends upon the level of increase in the homebuyer's income.

5. Have you completed a loan application with a Participant?		
6. Did you attend a First Time Home Buyer's Course and received a First Home Buyer's Certificate? If Yes, please provide a copy.	_____	_____

If you answered YES to all of these questions, you probably qualify for a Mortgage Credit Certificate.

PLEASE NOTE: Mortgage Credit Certificates cannot be used in connection with a loan refinancing the existing balance of a loan you already have (except an interim construction loan) or with a loan which is part of a tax-exempt or veterans' bond program. Complete the following Mortgage Tax Credit Calculations:

Loan Amount \$

(times % interest rate of your loan)

X Approximate Annual Interest

(times MCC credit rate of __%*) X

Approximate Annual Mortgage Tax Credit \$

PLUS, in addition to taking the Mortgage Tax Credit dollar for dollar from the federal income taxes you owe each year, under current tax laws, you may also be able to deduct the interest paid on your loan each year (less an amount equal to the Mortgage Tax Credit) and your property taxes. If you think you qualify, go to your Participant for further information.

This worksheet is for informational purposes only and the calculation methodology may change over the course of the Program. You should consult your own tax advisor with respect to the federal income tax implications of an MCC to your particular situation.

HOUSING FINANCE AUTHORITY OF BROWARD COUNTY, FLORIDA
MORTGAGE CREDIT CERTIFICATE PROGRAM

MORTGAGOR AFFIDAVIT

STATE OF FLORIDA)

BROWARD COUNTY)

The undersigned Applicant (whether one or more), the proposed purchaser(s) or owner(s) of the Residence located in the Broward County, Florida described below (the "Residence") and an Applicant under the Housing Finance Authority of Broward County, Florida's ("HFA") Mortgage Credit Certificate Program (the "Program"), does hereby depose and say, under penalty of perjury and the civil penalties outlined herein, that each of the following statements are true, correct and complete in all respects:

1. **Income.** (a) My current Annualized Gross Income, when added to the aggregate current Annualized Gross Monthly Income of all persons who intend to reside with me in the Residence is _____. [See Worksheet One attached hereto].

(b) I agree to furnish true and accurate copies of federal income tax returns for the past three years, as signed and filed with the Internal Revenue Service, for myself and all persons intending to reside with me in the Residence. I hereby authorize the above Participant to review such returns to verify the statements set forth herein, and I hereby authorize the HFA and its agents to review such returns as may be necessary to process my application for a Mortgage Credit Certificate ("MCC") under the Program. In lieu of providing copies of tax returns, I may submit original tax account information letters from the Internal Revenue Service showing that I filed Form 1040 tax returns or any other tax return permitted by the IRS for the years in question and stating my filing status and adjusted gross income. *Not applicable if the Residence is located in a Targeted Area or is a Qualified Veteran.*

2. **Tax Returns.** The following federal income tax return information is accurate for all persons intending to reside with me in the Residence described on the Mortgagor Affidavit:

CHECK WHICH APPLIES:

☐ Attached are true and accurate copies of federal income tax returns for the past three years, as signed and filed with the IRS.

☐ Attached is the original tax account information letter from the IRS verifying the type of returns filed, filing status and adjusted gross income for the past three (3) years. These letters may be used in lieu of furnishing copies of tax returns for persons who filed either Form 1040 or any other tax return permitted by the IRS.

I have not filed my federal income tax return for the preceding year with the IRS. I am not entitled to claim deductions for taxes or interest in indebtedness with respect to property constituting my Principal Residence for the preceding calendar year. This statement may be furnished during the period between January 1 and February 15 when the loan has not yet been executed.

☐ The loan is for a Residence located in a Targeted Area, and, as such, I am not required to provide copies of tax returns.

☐ The loan is for a Qualified Veteran, and, as such, I am not required to provide copies of tax returns.

3. **Family Size.** The number of persons constituting my family who will reside in the Residence (together with any other persons who will reside in the Residence) is _____

4. **Location of Residence.** The Residence is located within Broward County, Florida.

5. **Acquisition Cost.** (a) The Residence is (check one):

_____ New Housing

_____ Existing Housing

(b) The "Acquisition Cost" of the Residence (as determined in accordance with Worksheet Two attached hereto) is \$_____. I understand that the term "Acquisition Cost" includes: (i) all amounts paid either in cash or in kind, by me (or by a related party or for my benefit) to the Seller (or to a related party or for Seller's benefit) as consideration for the Residence; (ii) if the Residence is incomplete, the reasonable cost of completing it; and (iii) if the Residence is being purchased subject to a ground lease, the capitalized value of the ground rent. I understand further that "Acquisition Cost" does not include: (i) settlement and financing costs (such as title and transfer fees, title insurance, survey fees, credit reference fees, legal fees, appraisal fees and points paid by me (but not points paid by the Seller) and other similar costs) but only to the extent that such amounts do not exceed the usual and reasonable settlement and financing costs for a home mortgage loan in this area; or (ii) the value of any services to be performed by me or my family members (including brothers and sisters (whether by whole or half-blood), spouse, ancestors and lineal descendants only) to complete the Residence; or (iii) the cost of the land on which the Residence is located if I owned such land at least two (2) years prior to the commencement of construction of the Residence.

(c) Worksheet Two attached hereto sets forth an accurate calculation of the "Acquisition Cost" of the Residence.

6. **Principal Residence.** (a) I intend to occupy the Residence as my "Principal Residence" within a reasonable time (not to exceed sixty (60) days) following the execution of the loan to provide financing on the Residence. I understand that the term "Principal

Tab 3 page 3

Residence" means a home which, depending on all of the facts and circumstances (including the good faith intent of the occupant), is occupied by me primarily for residential purposes. I understand further that a "Principal Residence" does not include a home used as an investment property or a recreational home or a home which is used primarily in a trade or business (as evidence by the use of more than fifteen percent of the total floor space in a trade or business). I agree to notify the HFA immediately if at any time the Residence ceases to be my Principal Residence.

(b) I do not intend to claim, with respect to the Residence, any deductions pursuant to the Internal Revenue Code for expenses incurred in connection with the business use of a home.

7. Prior Ownership of a Residence. Either (a):

- (i) I have not had a present ownership interest in a "Principal Residence" at any time during the three (3)-year period ending on the date of the execution of the loan. I understand that the term "Principal Residence" has the same meaning set forth in the preceding paragraph, and I understand further that the term "present ownership interest" includes: a fee simple interest; a joint tenancy, a tenancy in common or a tenancy by the entirety; the interest of a tenant stockholder in a cooperative; a life estate, a land contract or contract for deed under which possession and the burdens and benefits of ownership are transferred although legal title is not transferred until some later date; and an interest held in trust for one person by another person; but that "present ownership interest" does not include a remainder interest, a lease with or without an option to purchase, a mere expectancy to inherit, the interest that a person acquires upon the execution of a real estate purchase contract, or any interest in other than a "Principal Residence";
- (ii) Worksheet Three attached hereto sets forth an accurate statement of the places at which I have resided during the past three (3) years and an explanation of the rental or other arrangements under which I have resided at such places; and
- (iii) My federal income tax returns for the past three (3) years, as signed and filed with the Internal Revenue Service, reflect that I have not claimed deductions during the past three (3) years for real property taxes or interest on a loan with respect to a "Principal Residence"; or

(b) The Residence is located in a Targeted Area.

(c) I am a Qualified Veteran.

8. Veteran Applicant. (a) I am a "veteran" (as defined in 38 U.S.C. Section 101) who has not previously obtained a mortgage loan financed by single family mortgage revenue bonds utilizing the veteran exception set forth on Section 143(d)(2)(D) of the Internal Revenue Code as of 1986, as amended, as demonstrated on Worksheet Four attached hereto; and (b) attached hereto are true and correct copies of my discharge papers.

Tab 3 page 4

9. New Loan. Except as set forth below, the proceeds of the loan will not be used to replace an existing mortgage on the Residence to which I am a party or upon which I am an obligor. At no time prior to the date hereof have I been a party to a mortgage on the Residence (whether in the form of a deed of trust, conditional sales contract, pledge, agreement to hold title in escrow or other form of owner financing), other than a construction loan, construction bridge loan or other temporary initial construction financing initially incurred for the sole purpose of acquiring the Residence and initially incurred within twenty-four (24) months from the date of execution of the loan and having an original term not exceeding twenty-four (24) months, which will be paid with the proceeds of the loan.

If the proceeds of the loan will be used to replace a construction loan, construction bridge loan or other temporary initial construction financing, describe such financing in the space below, specifying the source, purpose and the term of such financing:

10. Prohibited Mortgages. No portion of the loan on the Residence shall be provided from the proceeds of a qualified mortgage bond or a qualified veterans' mortgage bond.

11. Size of Property; Income from Property. The real estate associated with the Residence is not greater than the normal and usual size of a lot within the area and is not in excess of that necessary to maintain the basic livability of the Residence. I do not expect to derive any income from the real estate associated with the Residence.

12. Other Owners of Residence. There are no persons who have or who are expected to have a "present ownership interest" (as defined in paragraph 4 hereof) in the Residence following execution of the loan who have not executed this Affidavit or one substantially the same as this Affidavit.

13. Verification. I understand that the Participant, the Internal Revenue Service, Housing Finance Authority of Broward County, Florida and/or their authorized representatives, intend to conduct investigations in order to verify the truth and completeness of the statements set forth herein. I hereby agree to provide access to such information, past income tax returns, canceled checks or receipts evidencing payment of rent, utility statements, employment records and similar data, as may be necessary in connection with such verification procedures, and authorize the disclosure of such information to the parties listed above.

14. Revocation of MCC. I understand that if any of the statements set forth herein are not true, correct and complete in all respects, or that if federal law or regulations disqualify me from participation in this Program, the MCC issued to me may be immediately revoked.

15. Qualification for Program. I qualify in all respects as an Applicant under the Program. I have been furnished a copy of the MCC Information Guide and am familiar with and understand the provisions of the Program.

16. No Other Applications. I have not made application to and been rejected by another Participant for an MCC under the Program for a loan similar in type and amount, and

I have not been the recipient of an MCC under the Program.

17. Participant. I have not been required to seek financing for the purchase of the Residence through any particular Participant.

18. Assumption. I understand in the event that I sell this Residence at any time and desire to have my MCC transferred pursuant to the transfer provisions of the Program that (a) the person assuming my loan must qualify as an Applicant, (b) the "Acquisition Cost" may not exceed the maximum "Acquisition Cost" then applicable to Existing Housing, and (c) all other Program requirements must be satisfied, including without limitation, the payment of all applicable assumption fees.

19. Tax Credit Recapture. I understand in the event I sell this Residence within the nine (9) year period following the issuance of an MCC, all or a portion of the tax credit utilized under the Program will be subject to recapture pursuant to the provisions of Section 143(m) of the Internal Revenue Code.

20. Family Members. I further swear and affirm that I am not an employee of, nor am I the spouse of an employee of, the Participant or related within the third degree of affinity (marriage) or consanguinity (blood) to an employee of the Participant.

21. Interest to Related Persons. No interest on the loan is being paid to a "related person" to the Applicant, as that term is defined in Section 144(a)(3)(A) of the Internal Revenue Code and the regulations promulgated pursuant thereto. Such a "related person" does not have, and is not expected to have, an interest as a creditor in the loan.

22. Condition to Issuance of MCC. I understand that the HFA's ability to issue an MCC in connection with the mortgage loan is contingent upon the availability of funds at the time of reservation, including the requirement that the HFA has made an election with the IRS to issue MCCs.

23. Penalty. The statements set forth herein are made under penalty of perjury and the following civil penalties: Any material misstatement in any Affidavit or certificate made in connection with application for or issuance of an MCC due to my negligence shall result in a civil penalty fee payable to the United States Department of the Treasury or the Internal Revenue Service of \$1,000.00; and any such material misstatement due to my fraud shall result in a civil penalty fee payable to the United States Department of the Treasury or the Internal Revenue Service of \$10,000.00. I understand that perjury is a felony offense punishable by fine or imprisonment, or both.

24. Attachments. All documents attached hereto (and any documents submitted to supplement and/or complete the application) are true and correct and not misleading in any material respect.

I, the undersigned authorized officer of the above Participant, do hereby certify, represent and warrant to the Housing Finance Authority of Broward County, Florida (the "HFA"), that:

1. I have read the Mortgagor Affidavit of the above Applicant, the Program Income Affidavit, and the Closing Affidavit, and, if applicable, the Seller/Builder Affidavit or GSE/Institutional Seller Affidavit and the Notice of Potential Recapture Tax on Sale of Home which were executed in connection with the Mortgage Credit Certificate Application made by the above Applicant and submitted to the HFA. APPENDIX A

LENDING BEST PRACTICES

To help protect consumers from abusive lending practices, the Housing Finance Authority of Broward County, Florida (the "HFA") is promoting anti-predatory lending policies for the loans originated under the HFA's Mortgage Credit Certificate Program (the "MCC Program"). The HFA identifies and promotes responsible lending practices that help borrowers become successful, long-term homeowners. The HFA is committed to working with responsible Participants serving the needs of borrowers with less-than-perfect credit.

The following is a summary of the HFA's lending guidelines, based on lending guidelines promulgated by Fannie Mae and Freddie Mac, for the MCC Program:

- **Suitability** -- For loans originated under the MCC Program, the HFA expects that borrowers will receive the best mortgage rate available, and commensurate with the borrowers' overall risk profile, at the time of the borrowers' loans.
- **Steering** -- For loans originated under the MCC Program, the HFA expects that Participants will have determined the borrower's ability and willingness to repay the mortgage debt regardless of the underwriting method the Participant uses. In addition, Participants should have practices and procedures to offer mortgage applicants the full range of products for which they qualify, and should specifically avoid the steering of borrowers to high-cost products that are designed for less creditworthy borrowers if the applicants can qualify for lower-cost products. Similarly, consumers who seek financing through a Participant's higher-priced subprime lending channel should be offered (or directed toward) the Participant's standard mortgage product line if they are able to qualify for one of the standard products.
- **Excessive Fees** -- Participants should have their own guidelines and policies that address the fees that originators and brokers can charge a borrower when a mortgage is originated and should apply those policies consistently. For loans originated under the MCC Program, the points and fees charged to a borrower should not exceed five percent (5%) of the loan amount.
- **Prepaid Single Premium Credit Life Insurance Policies** -- For loans originated under the MCC Program, the HFA will not permit any mortgages for which a prepaid single-premium credit life insurance policy was sold to the borrower in connection with the origination of the mortgage loan, regardless of whether the premium is financed in the mortgage amount or paid from the borrower's funds. This does not apply to credit life insurance policies that require separately identified premium payments on a monthly or annual basis or to prepaid hazard, flood, or mortgage insurance policies.
- **Prepayment Penalties** -- Fannie Mae will only consider allowing prepayment penalties under the terms of a negotiated contract, and where the Participant adheres to the following criteria: a mortgage that has a prepayment penalty should provide some benefit to the borrower (such as a rate or fee reduction for accepting the prepayment premium); the borrower also should

Tab 4 page 5

be offered the choice of another mortgage product that does not require payment of such a premium; the terms of the mortgage provision that requires a prepayment penalty should be adequately disclosed to the borrower; the prepayment penalty should not be charged when the mortgage debt is accelerated as the result of the borrower's default in making his or her mortgage payments, and prepayment penalty terms shall not exceed three years.

- Full-file Credit Reporting – The HFA believes that it is important for a borrower's entire payment history to be reported to the credit repositories since that gives a borrower who has a good payment record more opportunities to obtain new financing (and better mortgage terms) when the need arises. Therefore, Participants must report on the status of any MCC loan that they are servicing each month to the credit repositories.
- Servicing Practices -- Servicers maintain escrow deposit accounts for the monthly deposit of funds to pay taxes, ground rents, mortgage insurance premiums, etc. The HFA suggests the use of escrow accounts for borrowers with blemished credit records to protect them from additional risk of default.

MORTGAGE CREDIT CERTIFICATE PROGRAM**

NOTICE OF POTENTIAL RECAPTURE TAX ON SALE OF HOME

(To be delivered to Applicant by the Participant at the Time of Settlement of Mortgage Loan)

Because you are receiving a Mortgage Credit Certificate in connection with your mortgage loan, you are receiving the benefit of a credit against your federal income taxes. If you sell or otherwise dispose of your home during the next nine (9) years, this benefit may be recaptured and you may have to pay back all or a part of the federal mortgage subsidy you received by increasing your federal income tax for the year in which you sold or disposed of your home. The recapture applies, however, only if you sell your home at a gain and your income increases above specified levels.

You may wish to consult a tax advisor or the local office of the Internal Revenue Service at the time you sell your home to determine the amount, if any, of the recapture tax. Along with this Notice of Potential Recapture, you are being given additional information necessary to calculate the recapture tax.

**NOTICE TO MORTGAGOR OF MAXIMUM RECAPTURE TAX AND OF METHOD TO
COMPUTE RECAPTURE TAX ON SALE OF HOME**

A. Introduction.

1. General. When you sell your home, you may have to pay a recapture tax calculated in the manner described in Paragraph C below. The recapture tax may also apply if you dispose of your home in some other way. Any references in this Notice of Potential Recapture of the "sale" of your home also include other ways of disposing of your home. For instance, you may owe the recapture tax if you give your home to a relative.

2. Exceptions. In the following situations, no recapture tax is due and you do not need to do the calculations:

- (a) You dispose of your home later than nine (9) years after you close your mortgage loan;
- (b) Your home is disposed of as a result of your death;
- (c) You transfer your interest in your home to your spouse or to your former spouse incident to a divorce and no gain or loss is included in or deducted from your income on your federal income tax return; or
- (d) You dispose of your home at a loss.

B. Maximum Recapture Tax. The Maximum Recapture Tax that you may be required to pay as an addition to your federal income tax is \$_____. This amount is 6.25% of the

Tab 5 page 2

highest principal amount of your mortgage loan and is your "federally subsidized amount" with respect to the loan.

C. Actual Recapture Tax. The actual recapture tax, if any, can only be determined when you sell your home, and is calculated in the manner set forth in Part II of IRS Form 8828, Recapture of Federal Mortgage Subsidy (attached as Page 3 to this Tab 5), as may be amended by the Department of Treasury from time to time.

D. Limitations and Special Rules on Recapture Tax.

(1) If you give away your home (other than to your spouse or ex-spouse incident to divorce), you must determine your actual recapture taxes as if you had sold your home for its fair market value at the time of the disposition.

(2) If your home is destroyed by fire, storm, flood or other casualty, there generally is no recapture tax if, within two (2) years after the end of the tax year when the destruction happened, you replace the home (for use as your principal residence) on the original site of the home financed with your original federally subsidized mortgage loan.

(3) In general, except as provided in future regulations, if two (2) or more persons own a home and are jointly liable for the federally subsidized mortgage loan, the actual recapture tax is determined separately for each person based on the interest of each in the home.

(4) If you repay your loan in full or refinance other than with reissuance of an MCC within the first four (4) years after you close your subsidized mortgage loan and you sell or otherwise dispose of your home during the nine (9)-year recapture period, your holding period percentage may be reduced under the special rule in Section 143(m)(4)(C)(ii) of the Internal Revenue Code.

(5) Other special rules may apply in particular circumstances. You may wish to consult with a tax advisor or the local office of the Internal Revenue Service when you sell or otherwise dispose of your home to determine the amount, if any, of your actual recapture tax. See Section 143(m) of the Internal Revenue Code generally.
