Oakland Park, FL 33309

12/11/2025

Dear Dan,

Please be advised that this letter is intended to formally inform you that \$125,000 was recently received by the Friends of Deerfield Island Park from a Lifetime Patron of FoDIP who wishes to remain anonymous. This donation is intended for use on Deerfield Island Park by the Broward County Parks and Recreation Department.

It is understood that in appreciation of this generous contribution, a new shuttle will bear the name, **JoAnna B.**

To mark this notable event, a ceremonial check made out to the Broward County Parks and Recreation Department in the amount of \$125,000 will be personally presented today, Thursday, December 11, 2025, at the Friends of Deerfield Island Park Board of Directors monthly meeting to you, its Director, by Dr. Ira P. Wechterman, FoDIP Founder. It is understood that the Board of Directors for the Broward County Parks and Recreation Department will need to approve acceptance of this donation along with the naming of the new shuttle at its formal Board meeting in January before the actual funds can be provided.

Respectfully yours,

Diana R. Lopez, President
Friends of Deerfield Island Park
