RE: Note Amendment on the South Broward Hospital District Ancillary Plat

Dear Ms. Sesodia,

South Broward Hospital District (“Applicant”) is the owner of a +/- 19.68-acre parcel generally located on the east side of S. Douglas Rd., between Washington St. and SW 5th St. in the City of Pembroke Pines (“Property”). The Property is located on Parcel A of the South Broward Hospital District Ancillary Plat. The Property is currently developed with the following uses:

- Hospital-Based Off-Campus Emergency Department (Hospital Use): 13,750 SF
- Hospital Material Management & Distribution Center,: 45,904 SF
- Data Center (Ancillary Hospital Use): 16,300 SF
- Nursing Home Facility: 240 beds

The Property has a Broward County future land use designation of Community and a City of Pembroke Pines future land use designation of Community Facilities (CF) with a zoning designation of Agricultural (A). The Applicant is proposing to demolish the existing 13,750 square foot hospital use building and construct a new +/- 30,200 square foot free-standing Hospital-Based Off-Campus Emergency Department. The remaining existing buildings will remain on the Property. Per discussions with Broward County staff, the existing uses on the note, hospital, ancillary hospital office and hospital material management & distribution center are being combined in the proposed note language under the umbrella of hospital use (please see attached email correspondence confirming the proposed note language as acceptable). As the Applicant is proposing to add an additional 57,000 square feet of hospital use on the plat note, the total hospital use square footage will be 141,000.

In order to develop the Project on the Property, the Applicant is requesting to amend the note on the face of the plat as follows:

FROM:

“This Plat is restricted to 45,000 square feet of hospital material management and distribution center, 15,000 square feet of existing hospital use, 24,000 square feet of ancillary hospital office use and a 240 bed nursing home facility which must be owned and operated by a governmental entity for public purposes.”

TO:

“This Plat is restricted to 141,000 square feet of hospital use and a 240 bed nursing home facility which must be owned and operated by a governmental entity for public purposes.”

Thank you in advance for your consideration of this request. Please contact the undersigned should you have any questions.

Sincerely,

Dunay, Miskel & Backman, LLP
