Dear Jennifer:

This narrative describes our request to amend the plat note for the Sunrise Industrial Park Parcels 41 & 77 Plat (P.B. 125 Pg. 6). The original plat note was for 7.51 acres of general industrial and office, and the plat was amended on August 15, 2000 by Instrument #100645050 to its current plat note:

Parcel A is restricted to community facility uses consisting of three open-air roller hockey skating rinks and accessory uses. Parcel B is restricted to general industrial use and office use.

The site plan for the proposed project comprises Parcel A only, and proposes to amend the note as follows:

Parcel A is restricted to 50,200 square feet of industrial use. Parcel B is restricted to industrial use and office use.

This note language has been reviewed by the County and conforms to their current terminology. Per the impact fee determination letter dated November 1, 2021, the original plat is vested for 63.46 trips (i.e., 7.51 acres of general industrial). The proposed plat note for Parcel A would only generate 36.14 trips. Sufficient vested trips exist for the plat for no impact fees to be due for the proposed plat note.

Please call me at (954) 739-6400 ext. 344 if you have any questions.

Sincerely,

CRAVEN THOMPSON & ASSOCIATES, INC.
