A credit against impact fees may be given for the site's present or previous use if there are existing buildings on the property and/or if buildings were demolished within three (3) years of this application. To receive a credit, complete the following table (attach an additional sheet if necessary). (Note: If buildings have been demolished, which are not shown on the survey required with this application, attach an additional "as built" survey dated within eighteen (18) months of this application. Other evidence may be accepted if it clearly documents the use, gross square footage and/or number and type of dwelling units, and date of demolition.

LAND USE	Gross Building sq. ft.* or Dwelling Units	Date Last Occupied	EXISTING STRUCTURE(S)		
			Remain the same?	Change Use?	Has been or will be demolished?

*Gross non-residential square footage includes permanent canopies and overhangs for gas stations, drive thru facilities, and overhangs designed for outdoor tables at a restaurant. A building is defined by the definition in the Land Development Code.

Please specify the proposed use in accordance with the land use categories. Please Note: Residential uses must be expressed based upon DWELLING UNIT TYPES. COMMERCIAL, OFFICE, and CHURCH USES must be expressed in terms of gross building square footage. If there are any unique factors which may affect traffic generation, attach a separate sheet and describe fully.
