**Parcel "A" "Fruscians Tract" (PB 175 Pg 55)
Humbold 18, LLC
Request to Vacate Platted Perimeter Utility Easement
City of Sunrise**

Dear Ms. Sesodia:

The applicant, Humbold 18, LLC, is seeking to vacate the 15-foot wide perimeter utility easement granted by the Fruscians Tract plat within Parcel "A".

The applicant is proposing a multi-family residential project on this plat and the adjacent Sunrise Ice Chalet plat. The site plan is under City review.

The subject utility easement conflicts with the proposed site plan, specifically with the landscape buffer and perimeter wall requested by the City as well as proposed structures and improvements along the eastern boundary of this plat with the adjacent Sunrise Ice Chalet plat.

This portion of the site is currently occupied by three single-family homes which are no longer inhabited while the eastern portion (Sunrise Ice Chalet Plat) is developed in commercial use slated for demolition.

The subject easement has not been utilized. Existing municipal water and sewer lines which coincide with portions of this easement will be replaced within new easements during the development process. A plan for relocation/replacement of these existing utilities has been approved and the City has accepted the temporary easements.

The City Commission approved the easement vacation on February 25, (Resolution #25-27). Included with the application are letters of no objection from franchise utilities, City Gas and the City Engineer as well as the City resolution approving the easement vacation.

A separate application to vacate the platted easements within the adjacent Sunrise Ice Chalet plat which is encompassed by the proposed development is being submitted for simultaneous review.

Please do not hesitate to contact me if you have any questions regarding the proposed vacation.

Sincerely

A handwritten signature in cursive script that reads "Linda C. Strutt". The ink is dark and the signature is fluid.
