JANUARY 28, 2025 COMMISSION MEETING
ITEM #45

The Amended Motion Statement below and additional Summary Explanation/Background are provided for clarification purposes. The Board's consideration of Item #45 is based on the Amended Motion Statement and Amended Summary Explanation/Background below.

AMENDED MOTION STATEMENT

MOTION TO AUTHORIZE County Administrator to approve expenditure of County funds for sponsorship of events, subject to availability of existing budgeted funds **and not to exceed \$50,000 per event**, that honor or recognize County programs, officials, or employees, and which events benefit organizations that meet the Internal Revenue Code's criteria for charitable organizations or nonprofit, governmental, media, professional association, or other community organizations; execute agreements related to such sponsorship, subject to review and approval as to legal sufficiency by the Office of the County Attorney; and take all necessary administrative and budgetary actions to carry out the expenditure and sponsorship.

AMENDED SUMMARY EXPLANATION/BACKGROUND

Summary Explanation/Background

It has been the County's practice to sponsor events hosted by, or benefiting, charitable organizations in the community, including such events that recognize County programs, officials, or employees. For larger events, an agenda item is brought to the Board to formalize the County's sponsorship. The County also receives frequent requests or invitations to sponsor smaller events, often without sufficient advance notice to provide for formal Board approval of the County's sponsorship.

If approved, the delegated authority to the County Administrator would be in addition to, and not in derogation of, any other existing authority (for example, under the Broward County Administrative Code).

If approved by the Board, this item would authorize the County Administrator to approve expenditure of County funds for the sponsorship, subject to availability of existing budgeted funds, of the described events and to execute agreements related to such sponsorship, subject to review and approval as to legal sufficiency by the Office of the County Attorney.
