Dear Barbara and Jo,

On behalf of the Applicant, I would ask that the County set the hearing to set public hearing for the Monarch Hill County and local land use plan amendments. We have monitored the meetings of the Broward County Solid Waste Task Force and see that the Task Force has completed its work and forwarded the Interlocal Agreement to the County and the cities. The County's need for space to dispose of construction and demolition debris as well as hurricane debris must be addressed now in order to continue providing these critical services to the businesses and residents of Broward County
