RECOMMENDATIONS/ACTIONS

DATE

I. Planning Council Staff Recommendation February 17, 2026

Planning Council staff finds the proposed amendment to be generally consistent with the policies of the BrowardNext – Broward County Land Use Plan and recommends approval.

Further, the applicant’s confirmation to implement resilience strategies regarding sea level rise, flood protection mitigation and climate change in redevelopment of the property is recognized.

As the Planning Council is aware, the Broward County Charter requires at least one Planning Council public hearing and Article 1.2(A) of the *Administrative Rules Document: BrowardNext* outlines the following circumstances in which a second Planning Council public hearing may be recommended or required:

- (1) At its initial public hearing, the Planning Council takes an action to recommend denial of a proposed amendment; or
- (2) At its initial public hearing, the Planning Council takes an action to recommend approval subject to meeting specific criteria or policy prior to a second Planning Council public hearing; or
- (3) At its initial public hearing, the Planning Council votes by a majority of the members present with a minimum of six (6) affirmative votes for a second Planning Council public hearing; or
- (4) If the County Commission requests by a vote of the majority of members present to request a second Planning Council public hearing; or
- (5) If an objection or comment on adverse impacts to important state resources or facilities is issued during the State of Florida Chapter 163 review process; or
- (6) If State of Florida Chapter 163 requires or is modified to require a second local planning agency public hearing.

If the Planning Council chooses to require a second Planning Council public hearing per Article 1.2(A)(1)(2) or (3), such recommendation must be made as part of its motion.

In addition, if the Planning Council does not require a second Planning Council public hearing and the Broward County Land Use Plan (BCLUP) amendment is adopted by the County Commission, this action by the Planning Council shall be considered the “conditional” recertification of the municipal land use plan amendment, which directly correlates to the referenced BCLUP amendment.
