RE: Commission Meeting 12/9/2025 – Agenda Item 61

---

Item #61 - The Board's consideration is based upon the item as modified by Additional Material #61-A submitted by the Public Works and Environmental Services Department, which includes an amended Attachment A to Exhibit 1.

## Attachment A

POLICY WM2.1 Broward County hereby adopts by reference the 2025 Broward County Water Supply Facilities Work Plan (WSFWP), ~~dated April 21, 2020 and included as (see Attachment A of the Water Management Element), that, at a minimum:~~

1. Provides ~~for a~~ planning period of not less than 10 years;
2. Requires updates at least every five (5) years and/or within 18 months after the South Florida Water Management District governing board approves its Lower East Coast Water Supply Plan;
3. Addresses development and building of public, private, and regional water supply facilities, including development of alternative water supplies that are identified in the Broward County Comprehensive Plan's Water Management Element;
4. ~~The WSFWP addresses issues that pertain to~~ Guarantees water supply facilities and requirements needed to serve current and future development within the County's water service area;
5. ~~The County shall review and update the WSFWP at least every 5 years, within eighteen (18) months after the adoption of an update to the SFWMD LECRWSP. Any changes to occur within the first 5 years of the WSFWP shall be included in the~~ Achieves annual Capital Improvements Plan update to ensure consistency between with the Water Management Element and the Capital Improvements Element;
6. Endeavors to cooperatively plan with local governments, public and private utilities, regional water supply authorities, special districts, and water management districts for the development of multijurisdictional traditional and alternative water supply facilities to meet projected demands.
