**Re: Lorson NVAL Amendment
Lorson Plat (044-MP-06)**

Dear Ms. Sesodia:

On behalf of RC 5475, LLC, the owner of the property located at 5355 SW 76 Ave, Davie, FL 33328, our company is preparing to submit an application to amend Non-Vehicular Access Line (NVAL) shown on Lorson Plat. This NVAL application proposed the following:

1. Close the current 50-foot access opening starting at the northeast corner of said Parcel "A".
2. Create (1) new access opening:
 - a. Create a 50-foot ingress and egress opening starting at the southeast corner of said Parcel "A".

The existing NVAL corresponds to an older site plan which was never constructed. The proposed NVAL proposed matches a new site plan approved by the Town of Davie.

Thank you for your time and consideration, and should you have any questions or require additional documentation, please do not hesitate to contact me by e-mail at jason@pillarconsultants.com, or by phone at 954-680-6533.

Respectfully Submitted,
