Introduction

The U.S. Department of Housing and Urban Development (HUD) announced the allocation of \$29,222,000, in CDBG-DR funding to Broward County due to severe storms and flooding that occurred in 2023.

The Declaration area of service is all of Broward County. Developments in the City of Fort Lauderdale will be considered for multi-family affordable housing projects, if the applicant demonstrates need, no duplication of benefits occurs, and will benefit all Broward County residents.

To meet disaster recovery needs, the statutes making CDBG-DR funds available have imposed requirements and authorized HUD to modify the rules that apply to the annual CDBG program to enhance flexibility and allow for a quicker recovery. HUD has allocated CDBG-DR funds to Broward County in response to (FEMA-4709-DR), through the publication of the Federal Register, 90 FR 4760 (January 16, 2025). <https://www.govinfo.gov/content/pkg/FR-2025-01-16/pdf/2025-00943.pdf>. This allocation was made through PL 118-158: ("the 2025 Appropriations Act").

Broward County Housing Finance Division (HFD) is the lead and responsible agency for administering the CDBG-DR funds.

As further outlined in [Notice CPD-2023-06](#), **program administrative costs (PACs)** are reasonable general costs, including carrying charges, of grant management that do not include staff and overhead costs directly related to carrying out other CDBG-DR eligible activities, since those costs are eligible as part of such activities.

The CDBG-DR appropriations act allows grantees to access funding for PACs prior to the Secretary's certification of financial controls and procurement processes, and adequate procedures for proper grant management. The Act requires that all CDBG-DR funds be used pursuant to an action plan. This Action Plan is subject to the Universal Notice, section I.B. of the Universal Notice which outlines the process for submitting an Administrative (Admin) Action Plan to HUD to access funds for PACs prior to the award of the full grant.

The five (5) percent allowable administrative costs is \$1,461,100.00. The proposed budget/distribution of administrative funds is in Section II of this Administrative Action Plan. These funds are for the duration of the grant.

Broward County has chosen to use the HUD template to complete the Admin Action Plan which includes the necessary components of the Admin Action Plan submission process to meet the Universal Notice's requirements.

Broward County will subsequently submit the Programmatic CDBG-DR Action Plan.
