East: Commercial	East: Regional Activity Center
West: Auto Repair Shop	West: Regional Activity Center

**1. Land Use**

Planning Council staff have reviewed this application and determined that the City of Dania Beach Comprehensive Plan is the effective land use plan. That plan designates the area covered by this plat for the uses permitted in the “Regional Activity Center” land use category. The proposed commercial and industrial uses are in compliance with the permitted uses of the effective land use plan. Planning Council memorandum is attached (**Exhibit 3**).

**2. Trafficways**

Trafficways was approved and will expire on June 29, 2026.

**3. Access**

Highway Construction and Engineering Division, Traffic Engineering Division and Transit Division have reviewed the plat application and provided comments and recommendations with respect to the safe and adequate access standards of the Broward County Land Development Code, as shown in the attached memorandum (**Exhibit 4**).

Please note Section 5-184(d)(2) of the Broward County Land Development Code requires a recordable agreement for the required improvements. The owner of this plat shall enter into the standard installation of Required Improvements Agreement (BCF#450) and submit it to the Highway Construction and Engineering Division for review and approval prior to plat recordation.

This project is located on State Road 848. Openings or improvements on functionally classified State Roads are subject to the “Rules of the Department of Transportation Chapter 14-97 State Highway System Access Management Classification System and Standards.” Florida Department of Transportation (FDOT) has issued a Driveway Connection Permit for All Categories, Permit Number: 2023-A-491-00063 on March 21, 2025.

**4. Concurrency – Transportation**

This plat is located in the Southeast Transportation Concurrency Management Areas (TCMA), where level of service (LOS) is expressed in terms of bus headways, and where Transportation Concurrency Assessment Fees apply per Sec. 5-182.1(a) of Land Development Code. The proposed development generates 29 Trips per PM Peak Hour.

	Existing Use Trips per PM Peak Hour	Proposed Use Trips per PM Peak Hour
Residential	0	0
Non-residential	0	29
<b>Total</b>		<b>29</b>

**5. Concurrency - Water and Wastewater Capacity**

This plat receives water and wastewater from the utilities listed below:

	Potable Water	Wastewater
Utility Provider:	City of Dania Beach	City of Hollywood
Plant name:	Dania Beach WTP (04/25)	Hollywood (HOL) (12/25)
Design Capacity:	5.00 MGD	55.50 MGD
Annual Average Flow:	2.92 MGD	44.19 MGD
Plant Capacity:	2.09 MGD	To be calculated at EPD Licensing
Estimated Project Flow:	0.001 MGD	0.0009 MGD

Sufficient capacity exists at this time to serve the proposed development; however, approval of this Plat does not guarantee reservation of future capacity. Plat approval does not infer any approval to connect to any wastewater

collection, treatment, or disposal system, or that sufficient capacity will exist at time of building permit approval.

## **6. Impact Fee**

All impact fees (transportation impact fees, and administrative fee) will be calculated by the Housing and Urban Planning Division, Development and Environmental Review Section, in accordance with the fee schedule specified in the Land Development Code during the review of construction plans submitted for Broward County Development and Environmental review. Fees must be paid prior to the issuance of the building permit.

At the time of plat application, a 1,290 square feet commercial structure existed on this site which the applicant stated has been demolished. In accordance with the credit provisions of Section 5-182.13 of the Land Development Code, this structure may be eligible for credit towards transportation concurrency impact fees, provided appropriate documentation is submitted and provided the demolition occurs within certain time periods.

## **7. Environmental Review**

This plat was reviewed by Environmental Permitting Division and has the following recommendations regarding environmental permitting for the future development.

### **A. Domestic & Non-Domestic Wastewater and Surface Water Management**

The Broward County Domestic Wastewater Licensing Program has no objection to the described plat. Contact Environmental Permitting Division at 954-519-1483 or [WWW.License@broward.org](mailto:WWW.License@broward.org) for specific code requirements.

The Broward County Non-Domestic Wastewater Program has no objection to the described plat because no non-domestic wastewater discharge is anticipated for the site. Nonetheless, should there be proposed non-domestic wastewater discharges, these must meet the criteria under Chapter 27, Article V, Sections 27-193(b)(3)a, 27-193(b)(4)a, 27-194(b), and 27-198(c) of the Broward County Code of Ordinances. Contact the Environmental Permitting Division at 954-519-1483 or [NDDLICENSE@broward.org](mailto:NDDLICENSE@broward.org) for specific code requirements.

In accordance with Chapter 27, Article V, Sections 27-198 through 27-200 of the Broward County Code, titled Water Resources Management, prior to any alteration to site grading, or construction of a surface water management system, a Broward County Surface Water Management License is required. Contact the Environmental Permitting Division at 954-519-1483 or [SWMLicense@broward.org](mailto:SWMLicense@broward.org) for specific code requirements.

### **B. Aquatic and Wetland Resources**

EPD has not yet conducted a site inspection on this project; however, aerial photographs and light detection and ranging data (LIDAR) indicate that this property may contain County jurisdictional wetlands. The applicant must request a wetland determination from the Water and Environmental Licensing Section prior to any land clearing or filling. If the site is determined to contain wetlands, an Environmental Resource License will be required prior to any dredging, filling, or other alteration of wetlands. Contact the Environmental Permitting Division at 954-519-1483 or [AWRLicense@broward.org](mailto:AWRLicense@broward.org) for specific code requirements.

The Water and Environmental Licensing Section of the Environmental Permitting Division encourages all invasive exotic vegetation including Melaleuca, Brazilian pepper, Australian pine and others as listed in the Exotic Pest Plant Council's List of Florida's Most Invasive Species to be removed during the development process, and a management plan may be necessary to control re-invasion of same. In addition, landscape material should not include any plants considered to be invasive of South Florida's native plant communities. The Florida Exotic Pest

Plant Council's List of Florida's Most Invasive Species is available at Florida Exotic Pest Plant Council ([invasive.org](http://invasive.org)).

Other activities regulated under Chapter 27, Article XI of the Natural Resource Protection Code (e.g., lake or canal excavation, installation of headwalls, end walls, or outfalls) may require an Environmental Resource License. Prior to undertaking surface disturbing activities, contact the environmental Permitting Division at 954-519-1483 or [AWRLicense@broward.org](mailto:AWRLicense@broward.org) for specific code requirements.

#### **C. Tree Preservation**

This site does not fall under the jurisdiction of the Broward County Tree Preservation and Abuse Ordinance.

#### **D. Clean-Up and Waste Regulation**

The subject plat is within one-quarter mile of known contaminated sites. Section 27-353, Broward County Code, prohibits dewatering at or within one-quarter mile of contaminated sites without approval from the Environmental Permitting Division (EPD). In order to receive approval to dewater, a certified Dewatering Plan must be submitted in accordance with EPD's Standard Operating Procedure for Dewatering, which can be found at: <https://www.broward.org/Environment/ContaminatedSites/Pages/Dewatering.aspx>. The interactive map of contaminated sites in Broward County can be found on the internet at <https://broward.org/Environment/ContaminatedSites/Pages/Default.aspx>. Any questions can be directed to 954-519-1483 or [EAR@broward.org](mailto:EAR@broward.org).

#### **E. Air Program**

If any existing facility (e.g. existing structures on site including residential building(s) and/or utility building(s) or facility component (including roof system, insulation, walls, attached piping, mechanical systems, etc.) is planned to be demolished or renovated, the project shall comply with applicable asbestos regulations. More information on the asbestos requirements can be found at: <https://www.broward.org/ePermits/Pages/AsbestosCertificate.aspx>.

Submit a Statement of Responsibilities Regarding Asbestos (SRRA) electronically at [ePermits.broward.org](http://ePermits.broward.org) at least 10 working-days before commencing work on demolition and/or renovation of facility components subject to asbestos regulations. For assistance, contact Broward County's asbestos program at [AsbestosHelp@broward.org](mailto:AsbestosHelp@broward.org) or call 954-519-0340.

#### **F. Natural Resources Division**

Natural Resources Division notes that this site is not included in the Protected Natural Lands Inventory and is not adjacent to a site in the Inventory.

### **8. Additional Environmental Protection Actions**

Approval to connect to any wastewater collection, treatment, or disposal system is approved by the Environmental Permitting Division as a prerequisite prior to issuance of building permits. These comments do not indicate waiver of approval of any other permit that may be required for other aspects of the project.

### **9. Historical and Archaeological Resource Review**

This plat was reviewed by the Broward County's consulting archaeologist. The review of available information including archival documents, maps, the Broward County Property Appraiser, the Broward County Land Use Plan, and the Florida Master Site File (FMSF) determined that the proposed project will not have an adverse effect on any known historical or archaeological resources or areas of archaeological sensitivity.

In the event any unmarked human burial remains are discovered, then pursuant to Florida Statutes, Chapter 872.05, all activities that may disturb the unmarked burial shall cease immediately, and the district medical examiner shall be notified. The district medical examiner can be reached via email at [Med Exam Trauma@broward.org](mailto:Med_Exam_Trauma@broward.org) or via phone at (954) 357-5200. Such activity shall not resume unless specifically authorized by the district medical examiner or State Archaeologist.

#### **10. Aviation**

Broward County Aviation Department has no objection. This property is within close proximity of Broward County's Fort Lauderdale-Hollywood International Airport (FLL). Any proposed construction on this property or use of cranes or other high-lift equipment must be reviewed to determine if Federal Aviation Regulation Part 77, Florida Statutes, Chapter 333 and/or the Broward County Code of Ordinance's Chapter 5 (Building Regulations and Land Use) apply. Based on the location of the proposed project, the FAA may need to review to determine whether the project is a potential hazard to aviation. The applicant should visit [www.FLL.net/Airspacerreview](http://www.FLL.net/Airspacerreview) to determine if the proposed project exceeds the height limitations in the Airport Airspace Imaginary Surfaces Composite Map. To initiate the Federal Aviation Review, access the FAA Web Page at: <http://oeaaa.faa.gov>. To initiate the Broward County Review, please contact [AirspaceReview@Broward.org](mailto:AirspaceReview@Broward.org).

#### **11. Utilities**

Florida Power and Light (FPL) and AT&T have been advised of this plat application and did not provide a response.

#### **12. Notice to Applicant**

The applicant is advised that, in accordance with Section 125.022, Florida Statutes, the issuance of a development permit by the County does not in any way create any rights on the part of the applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the County for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law.

Specific questions regarding any of the above comments may be directed to each review agency contact person. A list of agency contacts is available on the Housing and Urban Planning Division's web page at: [www.broward.org/Planning/FormsPublications/Documents/ReviewAgencies.pdf](http://www.broward.org/Planning/FormsPublications/Documents/ReviewAgencies.pdf).

#### **FINDINGS**

Staff reviewed the application and found that it meets the requirements of the Land Development Code and satisfies requirements for Concurrency:

1. This plat is located within the Southeast Transportation Concurrency Management Area. This district meets the regional transportation concurrency standards specified in Section 5-182.1(a)(1)(a) of the Land Development Code.
2. This plat satisfies the drainage, water, wastewater and solid waste disposal concurrency requirement of Section 5-182.6 of the Broward County Land Development Code.

#### **RECOMMENDATIONS**

Based on the review and findings, staff recommends **APPROVAL** of this application, subject to the following conditions which shall ensure compliance with the standards and requirements of the Land Development Code.

1. Conditions attached in the Highway Construction and Engineering Memorandum.

2. Place note on the face of the plat, preceding municipal official's signature, reading:

Concurrency/impact fees for the construction, expansion, and/or conversion of a building within this plat shall be paid on the date of building permit issuance.

3. Place a note on the face of the plat reading:

- a. This plat is restricted to 2,050 square feet retail and 7,950 square feet warehouse use.
- b. This note is required by Chapter 5, Article IX, Broward County Code of Ordinances, and may be amended by approval of the Broward County Board of County Commissioners. The notation and any amendments thereto are solely indicating the approved development level for property located within the plat and do not operate as a restriction in favor of any property owner including an owner or owners of property within this plat who took title to the property with reference to this plat.
- c. Any structure within this plat must comply with Section 2.1.f Development Review Requirements, of the Broward County Land Use Plan, regarding hazards to air navigation.

4. If this item is approved, the Mayor is authorized to sign an order approving this agenda item subject to staff findings, comments, and recommendations.
