TIE BREAKER CRITERIA						Formula for calculating 5% range

2. Vendor which provides domestic partner benefits.						1) Take Total Points X 5%		
3. Vendor that has the lowest dollar volume of work, calculated by payments to vendor, by County over a five (5) year period from the date of the submittal.						2) Subtract that amount from total points		
4. A re-vote or re-assessment of only the tied vendors.						3) Any firm's total points within that range are eligible to move up in Ranking over non-local vendor		
5. Preference to vendor receiving a majority of the total first-place votes.								
Local Preference may not be applied to Federally funded/governed procurements DELETE if not applicable								
PREFERENCE FOR LOCAL VENDORS - RFP's								
For all other competitive solicitations in which objective factors used to evaluate the responses from vendors are assigned point totals, if, upon the completion of final rankings (technical and price combined, if applicable) by the evaluation committee, a nonlocal vendor is the highest ranked vendor and one or more Local Businesses (as defined by Section 1-74 of the Broward County Code of Ordinances) are within five percent (5%) of the total points obtained by the nonlocal vendor, the highest ranked Local Business shall be deemed to be the highest ranked vendor overall, and the County shall proceed to negotiations with that vendor. If impasse is reached, the County shall next proceed to negotiations with the next highest ranked Local Business that was within five percent (5%) of the total points obtained by the nonlocal vendor if any.
