RE: "SKYRISE TOWNHOMES" PLAT APPLICATION

Dear Karina,

In response to the pre-application meeting request of a narrative for this project, please accept this letter to explain that with the above-referenced plat, the applicant is proposing to re-plat the Sky Rise Plaza Plat recorded in Plat Book 176, Page 147. The property comprises approximately 6.74 acres of presently vacant land located south on Pines Boulevard, between 184th and 186th Avenues; Lennar Homes intends to purchase the property to construct a new 54-townhouse community in a new plat that will be divided in two parcels: Parcel A to be used for the residential area and Parcel B containing more than 1.5 acres of drainage and water retention space. Sky Rise Plaza had been approved by County Commission on August 16, 2005 allowing 77,500 square feet of office plus 2,500 square feet of restaurant uses on Tract A and a lake on Tract B.

Should you have any questions or need additional information, please do not hesitate to contact us.

Thank you,
PULICE LAND SURVEYORS, INC.
