A credit against impact fees may be given for the site's current or previous use. No credit will be granted for any demolition occurring more than three (3) years of Environmental Review of construction plans. To receive a credit, complete the following table. Note: If buildings have been demolished, which are not shown on the survey required with this application, attach an additional "as built" survey dated within three (3) years of this application. Other evidence may be accepted if it clearly documents the use, gross square footage and/or number and type of dwelling units, and date of demolition.
