A credit against impact fees may be given for the site's current or previous use. No credit will be granted for any demolition occurring more than three (3) years of Environmental Review of construction plans. To receive a credit, complete the following table. Note: If buildings have been demolished, which are not shown on the survey required with this application, attach an additional "as built" survey dated within three (3) years of this application. Other evidence may be accepted if it clearly documents the use, gross square footage and/or number and type of dwelling units, and date of demolition.

Josie P. Sesodia, Director Urban Planning Division Broward County 1 N. University Drive, Suite #102A Plantation, FL 33324

Re: Proposed Right-of-way Vacation Application – Newman's Survey Sub No 1 and

No 2, Plat Book 2, Page 26

Dear Ms. Sesodia:

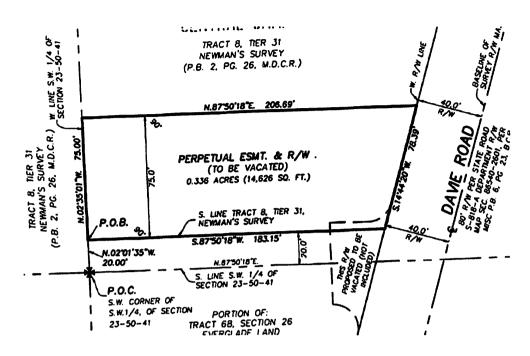

Our client, 13th Floor Adler Broward South, LLC, ("13th FL"), is proposing a residential and commercial development on approximately 21.2 acres located on the west side of Davie Road between SW 37 Street and the Broward College main entrance (the "Property"). The Property and the adjacent land is owned by the District Board of Trustees of Broward Junior College ("Broward College" and "Applicant"). East of the Property is a mix of retail uses and to the south is Broward School Board property.

13th FL has entered into a 99-year lease with the Applicant related to development of the Property. The proposed site plan involves a five (5) story apartment development with 375 units. The proposed site plan also includes commercial use located at the northeast corner of the Property. Access to the Property is from the Broward College main access drive on the north and a new access road on the south. Both of these access points are owned by the Applicant. Cross access from the main access road to the Property is provided in the 99-year lease.

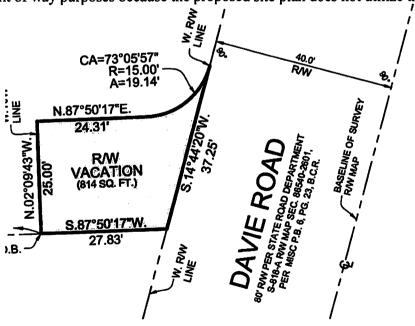

The proposed site plan includes easements and rights-of-way to be vacated. Those areas located in the Newman's Survey Sub No 1 & No 2 are indicated below.

1. Perpetual Right-of-Way Easement – DB 383, PG 453-This application includes a right of way easement dedicated on land that is currently owned by the Applicant. This area was never used for road purposes and is no longer needed.

Broward County Right-of-way Vacation Application Page No. 2

2. Right-of-Way Easement Vacation – ORB 4673, PG 953 – This application includes that portion of land dedicated and described in ORB 4673, Page 953. This right of way appears to be a driveway on the Broward College campus. This land is no longer needed for right of way purposes because the proposed site plan does not utilize this driveway.

Broward County Right-of-way Vacation Application Page No. 3

Please let us know if you need any other information to review and process this application.

Sincerely,

GREENSPOON MARDER LLP

Cynthia A. Pasch
