**Re: RFP No. PNC2124755P1 - 2023 Port Everglades Master/Vision Plan
Update (“RFP”) Objection Letter**

Dear Mr. Gleason:

The undersigned law firm represents Hatch Associates Consultants, Inc. (“Hatch”). Hatch submits this Objection to the Recommendation of Ranking of the RFP, dated November 21, 2022, pursuant to Section 21.42(h) of the Broward County Procurement Code.

The top-ranked proposer, AECOM Technical Services, Inc. (“AECOM”), received a total six points under the Evaluation Criteria based on its attestation that it is a local business and a locally based subsidiary. **That, however, appears to be incorrect. AECOM’s principal place of business is in Los Angeles, California, and it further fails to meet multiple criteria to be considered a locally based subsidiary. Based on this new information, AECOM is not entitled to receive any points for being a locally based subsidiary or local business pursuant to the RFP’s evaluation criteria.**

As such, when the scores are recalculated, the award should be issued to Hatch.

For those reasons, as more specifically described below, the County must uphold this objection, re-evaluate AECOM’s proposal and recalculate the points that it received for being a locally based subsidiary. The RFP, Broward County’s Code, and Florida law require this result.

I. BACKGROUND

The RFP was issued on August 4, 2022. It sought proposers to perform services to review and update the existing 2018 Port Everglades Master/Vision Plan Update, and related economic activity, financial and market forecasts and conditions, and other information set forth in the RFP's Scope of Work. The County Commission had directed the Port Everglades Department to update its Master/Vision Plan every two to three years. The contract for these services is three (3) years, with two potential (2) annual renewals. This RFP was issued pursuant to Section 287.055, the Consultants' Competitive Negotiation Act ("CCNA"). Therefore, price was not considered in the evaluation and ranking of the qualified firms.

The Evaluation Criteria is based on a 100-point scoring system. Points were to be awarded for seven categories, and there were subsections within those categories. Category 5 states:

"Location: (Maximum 5 Points)

Refer to **Location Certification Form** and submit as instructed. Points shall be allocated as follows based on the vendor's selection of one of the five options in the Location Certification Form: Option 1 (0 points); Option 2 (5 points); Option 3 (3 points); Option 4 (points range from 0-5 depending on the composition of the joint venture); and Option 5 (0 points)."¹

A vendor which selects Option 3 was to be awarded a maximum of 3 points, per evaluator. There were two members on this Evaluation Committee.

The Location Certification Form (the "Form") was contained in the RFP. It provided the Options set forth above that a vendor could select if they qualified. For each Option, the Form lists all the requirements a vendor must satisfy to qualify of a type of local business. At the end of the Form is an attestation that the vendor must sign and attest that any misleading inaccurate, or false information or documentation submitted could lead to suspension, debarment, or civil or criminal penalties.

AECOM selected Option 3 of the Form, certifying that it was both a "Local Business and a Locally Based Subsidiary as each term is defined by Section 1-74 of the Broward County Code

¹ The RFP contains standard instructions to vendors. Consistently with the Evaluation Criteria, Section Q of the Special Instructions pertains to local preference. Section Q(b) states, "Three percent (3%) of the available points shall be awarded to each locally based subsidiary . . .". Thus, a vendor qualifying as a Locally Based Subsidiary could receive a maximum of 3 points from each evaluator.

of Ordinances.” A copy of AECOM’s completed Form from its proposal is attached hereto as Exhibit “A”.

Section 1-74 of the Broward County Code of Ordinances defines “local business,” and “locally based subsidiary,” as follows:

Local business means the vendor has continuously maintained, for at least the one (1) year period immediately preceding the bid posting date, a physical business address located within the limits of Broward County, listed on the vendor’s valid business tax receipt issued by Broward County (unless exempt from business tax receipt requirements), in an area zoned for the conduct of such business, that the vendor owns or has the legal right to use **and from which the vendor operates and performs on a day-to-day basis business that is a substantial component of the goods or services being offered to Broward County in connection with the applicable competitive solicitation (“Local Business Location”).** Vendors shall be required to submit documentation, including the Broward County business tax receipt (unless exempt), to the satisfaction of the Director of Purchasing, demonstrating the **Local Business Location for the required duration.** A post office box does not qualify as a Local Business Location.

Locally based subsidiary means a **local business as defined in this section** that has, for at least the one (1) year period immediately preceding the bid posting date, **continuously maintained its principal place of business at the Local Business Location, and at least fifty percent (50%) of the total equity interests in the business are owned, directly or indirectly, by one or more entities with a principal place of business located outside of Broward County.**

Further, Section 1-74 of the Code defines “principal place of business” and what is required to prove that to the County:

***Principal place of business* means the nerve center or center of overall direction, control, and coordination of the activities of the vendor, from which the vendor’s officers or principals direct, control, and coordinate the entity’s day-to-day activities. A vendor may not have more than one (1) principal place of business at a time.** The “principal address” or other location(s) on file with the Florida Department of State Division of Corporations shall not be determinative of the vendor’s principal place of business. To qualify as a locally based business or

Robert Gleason, Director
November 23, 2022
Page 4

a locally based subsidiary, the vendor must submit written evidence (as further specified below) that it meets the following three (3) criteria, as determined by the Director of Purchasing:

(1) Local Employees: Attestation that the Local Business Location is the primary business address of the majority of the vendor's employees as of the bid posting date, or that the majority of the work under the competitive solicitation, if awarded to the vendor, will be performed by employees of the vendor whose primary business address is the Local Business Location;

(2) Local Management: Attestation that the vendor's management directs, controls, and coordinates all or substantially all of the day-to-day activities of the entity (such as marketing, finance, accounting, human resources, payroll, and operations) from the Local Business Location; and

(3) Single Principal Place of Business: Attestation that the vendor has not claimed any other location as its principal place of business within the one (1) year period immediately preceding the bid posting date.

Notwithstanding anything else in this section, if fifty percent (50%) or more of the total equity interests in the vendor are owned, directly or indirectly, by one or more entities with a principal place of business located outside of Broward County, it shall be presumed that the vendor does not have its principal place of business in Broward County. Such vendor may rebut the presumption only by submitting clear and convincing written evidence to the Director of Purchasing demonstrating that the vendor's principal place of business is located in Broward County.

In addition, Section F of the Standard Instructions under the RFP states the "Vendor's failure to respond to evaluation criteria will not be considered a matter of responsiveness or responsibility. **Vendors that fail to submit any information and/or documentation required by an evaluation criterion will not be evaluated or scored for the corresponding evaluation criteria.**" (Emphasis added).

On November 4, 2022, the proposers were scored by the two-member Evaluation Committee. AECOM received a total of six (6) points for qualifying as a locally based subsidiary because it received three points from each evaluator. The points were originally determined and designated by the Purchasing Division, as set forth in the Purchasing Director's Memorandum dated October 4, 2022, and provided to the Evaluation Committee.

AECOM was ranked first by 1 point ahead of Hatch. The scoring difference was the six points AECOM received for Location:

<i>Firm Name</i>	<i>Total Points</i>	<i>Ranking</i>
AECOM	175	1
Hatch	174	2
GHD Consulting Inc.	165	3
Jacobs Engineering Group Inc.	157	4
BEA Architects, Inc.	134	5

II. LEGAL STANDARD

Pursuant to Section 21.42(h), Hatch submits this Objection to the Recommendation of Ranking under this RFP.

The purpose of the public procurement process is to, “To provide for equitable treatment of participating vendors; To provide safeguards to ensure and maintain the quality and integrity of the County’s procurement system; and To promote public confidence in the procedures followed in public procurement by promoting transparency and uniformity in application.” Broward County Procurement Code §21.2(e)-(g).

Public authorities have wide discretion in awarding a public contract through the competitive procurement process. That discretion, however, “must be exercised based upon clearly defined criteria, and may not be exercised arbitrarily or capriciously.” Liberty County v. Baxter’s Asphalt & Concrete, Inc., 421 So. 2d 505 (Fla. 1982). An agency’s wide discretion in evaluating bids will not be interfered with unless exercised arbitrarily or capriciously, or unless based upon misconception of law, or upon ignorance through lack of inquiry, or in violation of the law, or was the result of improper influence. William A. Berbusse, Jr., Inc. v. North Broward Hospital District, 117 So. 2d 550, 551 (Fla. 2d DCA 1960).

Further, the irregularities in applying the evaluation criteria cannot provide one proposer with an unfair competitive advantage, and cannot be deemed minor technicalities. See Robinson Electrical Co., Inc. v. Dade County, 417 So. 2d 1032 (Fla. 3d DCA 1982).

III. OBJECTION

The Evaluation Committee did not have all the information which clearly shows AECOM is not a locally based subsidiary or a local business. Rather, AECOM misled the Evaluation Committee and the Purchasing Division by attesting to information in its proposal which is not accurate.

Robert Gleason, Director
November 23, 2022
Page 6

In the Form in its proposal, AECOM represented to the County that:

- its primary business address and principal place of business was in Fort Lauderdale, Florida;
- that office was AECOM's nerve center;
- the majority of its employees who would work on this project used the Fort Lauderdale office as their primary business address;
- its management directs, controls and coordinates all day-to-day operations of AECOM from the Fort Lauderdale office; and
- it had not claimed any other location as its principal place of business within a year immediately preceding the bid posting date.

Each one of these attestations is inaccurate.

AECOM is a California company with a principal place of business in Los Angeles, California. The majority of its employees identified to work on this project are not based in Fort Lauderdale. AECOM's receipt of points as a locally based subsidiary is improper and incorrectly resulted in it being the top-ranked firm.

A. AECOM Does Not Meet the Requirements of a Local Business or a Locally Based Subsidiary

i. State Filings and AECOM's Own Website Prove AECOM is not a Locally Based Subsidiary

AECOM's proposal fails to meet the requirements under the RFP and Broward County's Code of Ordinances to qualify as a local business or a locally based subsidiary. First, AECOM is listed with Florida's Division of Corporations as a "Foreign Profit Corporation." Documents obtained through Sunbiz.org confirm that its principal address, and its mailing address, is at "300 South Grand Avenue, 9th Floor, Los Angeles, California 90071" ("Principal Address"). See, Florida Division of Corporation records attached hereto as Composite Exhibit "B". In addition, all its officers are listed at the Los Angeles, California address. Exhibit "B." Similarly, the state of California's filings confirm that AECOM is a California corporation with a "Principal Executive Office" located at the same Principal Address. See, California corporation filing, attached as Exhibit "C" (downloaded from AECOM's own website at <https://aecom.com/wp-content/uploads/documents/financial/AECOM-Technical-Services-CA-SOS-SOI.pdf>).

Although the address listed with Florida's Division of Corporations is not determinative of where AECOM's principal place of business is located (per the Code), that coupled with the

Robert Gleason, Director
November 23, 2022
Page 7

filing in California are clear indicators of where the principal place of business is located. In addition, AECOM's own website further confirms the Los Angeles office is the corporation's principle executive office. The website states:

"AECOM Technical Services, Inc. (ATS) is a subsidiary of AECOM, the world's trusted infrastructure consulting firm, delivering professional services throughout the project lifecycle – from planning, design and engineering to program and construction management.

ATS is a California corporation, with its principal executive office in Los Angeles, California. Additional information on the company is below, with a download of the company's most recent Statement of Information as filed with the State of California available to the right.

Principal Executive Office:
300 South Grand Avenue, 9th Floor
Los Angeles, California 90071
United States of America"

See, <https://aecom.com/aecom-technical-services/>, Exhibit "D." See also, AECOM's listing of Regional Offices, which lists the Los Angeles office as the regional office of the Americas, and its office in Dallas, Texas as the global headquarters. AECOM does have an office in Fort Lauderdale, Florida, but it also has offices in many other states and cities as well.

By AECOM's own admission, the Fort Lauderdale office is not the office in which AECOM's management, "directs, controls and coordinates all or substantially all of the day-to-day activities of the entity (such as marketing, finance, accounting, human resources, payroll, and operations), pursuant to Option 3, subsection C of the Local Certification Form in the RFP and 1-74 of the Code of Ordinances. It is not AECOM's nerve center. AECOM's Fort Lauderdale office is not its principal place of business.

AECOM also fails to satisfy the requirement of Local Certification Form Option 3, Subsection D, and Section 1-74's definition of principal place of business, Section (3), which state, "The Vendor has not claimed any other location as its principal place of business within the one (1) year period immediately preceding the bid posting date." AECOM has claimed its Los Angeles, California location as its principal place of business within the last year, and it is AECOM's current principal place of business.

Therefore, **AECOM is not a locally based subsidiary**, and is not qualified to receive evaluation points for that.

Robert Gleason, Director
November 23, 2022
Page 8

ii. AECOM Did Not Submit a Local Business Tax Receipt

As described above, Section F of the RFP's Standard Instructions requires vendors to submit evaluation criteria with their proposals and if they do not, they are not to be evaluated or scored for the corresponding evaluation criteria. The Director of Purchasing's October 4th Memorandum allocated three (3) points to AECOM based on evaluation criteria in the RFP. *See*, Section C – Additional Requirements/Information on the Responsiveness Requirements attached to the Memo. That conclusion was adopted by the evaluators on the Evaluation Committee. However, Section D of the Matrix notes AECOM does not qualify for the “tiebreaker” because it did not submit its Broward County local business tax receipt. No local business tax receipt was submitted with AECOM's proposal. That directly impacts the analysis of whether it could qualify as a locally based subsidiary.

The Evaluation Committee should take specific note that the submission of a Broward County local business tax receipt is required to prove AECOM is a locally based subsidiary. It is specifically required in the Local Preference Form. Further, Section 1-74 of the Code of Ordinances defines locally based subsidiary as, “a local business as defined in this section that has, for at least the one (1) year period immediately preceding the bid posting date, continuously maintained its principal place of business at the Local Business Location,...”. Section 1-74 states vendors, “**shall be required to submit documentation, including the Broward County business tax receipt (unless exempt)**, to the satisfaction of the Director of Purchasing, demonstrating the Local Business Location for the required duration.” (Emphasis added). By failing to submit a local business tax receipt with its proposal, AECOM could not have established its Local Business Location, and therefore could not be considered a locally based subsidiary.

iii. AECOM's Fort Lauderdale Office is not the Primary Business Address of the Majority of its Employees for this Project

Option 3, Subsection B of the Local Certification Form required that AECOM attest that,

“The Local Business Location is the primary business address of the majority of the Vendor's employees as of the bid posting date, and/or the majority of the work under the solicitation, if awarded to the Vendor, will be performed by employees of the Vendor whose primary business address is the Local Business Location;”

Upon information and belief, a majority of the AECOM employees listed in its proposal do not primarily work out of the Fort Lauderdale office. If most of the employees do not have a primary business address at the purported Local Business Location, AECOM does not satisfy that prong of the Local Certification Form, or Broward's Code of Ordinances.

Robert Gleason, Director
November 23, 2022
Page 9

iv. AECOM's Own Proposal Reveals its Fort Lauderdale Office is not its Principal Place of Business

Page 205 of AECOM's proposal, states its principal place of business is, "300 South Grand Avenue, Suite 1100, Los Angeles, CA 90071." A copy of that page of the proposal is attached as Exhibit "E." In addition, page 166 of AECOM's proposal contains a certification from the State of Florida Department of State. The certification states AECOM is a California corporation. A copy of the form is attached as Exhibit "F." At the same time AECOM sought to convince Purchasing and the Evaluation Committee that its principal place of business is in Fort Lauderdale, AECOM states in its RFP that its principal place of business is in California.

IV. CONCLUSION

AECOM's top ranking for this RFP is improper because it received points for being a locally based subsidiary when it does not qualify as one. Filings with the state of Florida and California, AECOM's website, and AECOM's RFP response, all confirm its Fort Lauderdale office is not AECOM's principal place of business, and that AECOM fails to meet the qualifications of a locally based subsidiary. This significant new information provided with this Objection should be taken into consideration by the Evaluation Committee. The six locally based subsidiary points AECOM received must be deducted from its score.

In addition, as noted above, AECOM failed to submit a Broward County tax receipt so it could not have qualified for the locally based subsidiary evaluation points. Thus, it should not be allowed after the procurement submission to correct their failure to do so.

Based on the foregoing new information which was not considered by the Evaluation Committee or the Purchasing Division, this Objection must be granted. The County should correct the scoring and rankings based on the information provided in this Objection. Please consider this a Cone of Silence communication to the Evaluation Committee and the Board of County Commissioners and please distribute this letter accordingly.

Respectfully submitted,
