Diego Penaloza,

I have had an opportunity to review materials relative to 048-MP-15, Optima Plaza Plat (note amendment); Broward County property folio(s): 514227570010 (1010 S Federal Highway, Hallandale Beach, FL)

A. In my capacity as the County's archaeological consultant, based on the available information including archival documents, maps, the Broward County Land Use Plan and the Florida Master Site File (FMSF), it is my determination that the proposed project will not have an adverse effect on any known historical or archaeological resources or areas of archaeological or paleontological sensitivity.

B. The subject property is located within the jurisdiction of Broward County's historic preservation ordinance (B.C. Ord. 2014-32). Pursuant to B.C. Ord. 2014-32, Section 5-536.5(g), if, "in the event that archaeological materials are uncovered during development activities, such development activities in the immediate vicinity of the discovery shall be discontinued," and the property owner shall notify the County Historic Preservation Officer of the discovery and undertake certain additional actions.
